On-line/Flex Learning Application

I would like to request that my child/children (**Please Print names below**)

_____

be considered for the Flex Learning option for the _____Semester of the 25-26 school year. The reason for this request is as follows:

_____

In choosing this option, I am aware of the following:

- **My child/children will not have the same access to their facilitator, as would students on-site, or receive feedback on those assignments as quickly as students on-site.**
- **My child, and possibly the parents, will have to assume a greater level of accountability and be responsible for turning in assignments/work when requested.**
- **Flex Learning may require more time and effort to meet requirements.**
- ***Seniors only: If my child choses the flex option and does not complete the required coursework by graduation, they will forfeit their right to attend the graduation ceremony/graduate on time.**

I am aware that I will need to submit another application for each semester I choose to utilize Flex Learning.

I am also aware that my child/children have the option to return to school at the end of the semester.
