NEW EBT CHIP TAP CARDS ARE COMING IN 2025!

The New EBT Chip Tap card is coming to your mailbox soon!

With added security features, the new EBT Chip Tap card protects your benefits when you "TAP" to pay.

Get ready for your new EBT Chip Tap card by:

- Making sure your address is correct on BenefitsCal.com. BenefitsCal
- Activating your new EBT Chip Tap card right away. Your old EBT card will stop working 180 days after the new card is issued.
- Downloading the ebtEDGE Mobile App to manage EBT card access.
- Remembering to TAP your card instead of swiping or inserting it into the payment device to pay

Learn how you can get ready for your NEW EBT Chip Tap card today at:
