Trinity High School offers daily cafe service through *Country House*. The cafeteria offers a wide selection of hot and cold sandwiches, wraps and salads. We have a signature daily special and rotating homemade soups.

Country House & **My MealTime** - Students are able to pay cash or with their Student ID cards in the cafe. Students can pay cash or use funds that are preloaded on their school ID. See below on how to add funds at www.mymealtime.com. Once you create a MealTime account, click on "add student" - enter your Student ID number and your first name - and your account should load. Students must use their ID when buying lunch. Students are required to have their ID at all times.

Trinity High School & Country House have partnered with **My MealTime**, a fast, secure online service for making credit or debit card deposits and monitoring your student's lunch account.
