2026-27 45-Day Budget Update
August 12, 2026

The following narrative is provided to explain that the State budget was adopted with the super COLA of 4.31% cost of living adjustment (COLA) as planned at the May Revise. There are no material changes based on the State's adopted budget which means that SVCS is not required to complete a 45-Day Budget.

However, the revenue from the additional TK class, the costs associated with that change, filling vacant positions, changes to agreements with certain vendors, and the 14.9% increase in medical benefits renewal, make a 45-Day Budget Revision useful to show significant revenue and expense changes since the Budget Adoption in June. This budget is essentially at a "break even" point.

Changes include

1) adjustments for open positions that remain open and those that are recommended for closure,
2) open positions that have been filled,
3) the Principal's, AP/Coordinator of Special Ed, Instructional Coach and Counselor's board-approved salary adjustments,
4) staffing changes approved since the budget adoption in June,
5) benefit costs reflecting the WHA Silver HMO B base plan with the 14.9% average increase, and
6) vendor contracts approved at rates different than budgeted.

Highlights of the State Budget related to K-12 education and charter schools per CCSA:
"The final budget enacts the May Revision proposal for a statutory Cost-of-Living Adjustment (COLA) of 2.87 percent for LCFF and other categorical programs. Additionally, the budget enacts a discretionary increase of 1.44 percent for LCFF resulting in a "Super COLA" of 4.31 percent for the LCFF only.

However, as part of the budget agreement 14 weeks of paid pregnancy disability leave for all employees will be required of all TK-12 local educational agencies (LEAs) beginning January 1, 2027. Costs of the benefit are expected to be absorbable within the 1.44 percent LCFF "Super COLA."

The Final Budget enacts an additional ongoing special education base rate investment to increase the per student base rate to $1,340 and $80 million (M) for special education extraordinary cost pools.

The one-time Discretionary Block Grant provides $5B, or about $925 per student based on 2025-26 average daily attendance (ADA). The use of these funds is very flexible, but the grants require LEAs with declining enrollment to hold a public hearing on their plans to address the decline and prohibits charging any fees to employees such as for professional development, etc."

Other CCSA-listed highlights include:

- Elimination of all apportionment deferrals
- $1.061B for Arts and Music funding under Proposition 28 (2022), about $30M more than 2025-26.
- $757.3M to augment Learning Recovery Block Grants.
- $184M for SB 740 Charter School Facility Grants, about $2M more than last year.
- $116M for grants to improve outcomes for students experiencing homelessness.
- $40M for screening for difficulties in early reading with new requirement that kindergarten screenings occur no sooner than the 91st days of instruction.

Sacramento Valley Charter School
FOSTER YOUTH TRANSPORTATION POLICY
Board approved: _____

Legal Framework:

Under California law and federal Every Student Succeeds Act (ESSA) mandates, foster youth have the right to remain in their school of origin when placement changes.

Under California Education Code § 48853.5 and federal law, districts must maintain a foster child in their school of origin unless it is not in their best interest.

(5)(A) Paragraphs (2), (3), and (4) do not require a school district to provide transportation services to allow a foster child to attend a school or school district, unless there is an agreement with a local child welfare agency that the school district assumes part or all of the transportation costs in accordance with Section 6312(c)(5) of Title 20 of the United States Code, or unless otherwise required under federal law.

This paragraph does not prohibit a school district from, at its discretion, providing transportation services to allow a foster child to attend a school or school district.

However, local educational agencies (LEAs) and child welfare agencies must collaborate to develop clear, written procedures and cost-sharing agreements to provide prompt, stable transportation.

School of Origin Rights:

Sacramento Valley Charter School acknowledges that foster youth have the right to remain in the school they attended before entering the care system or moving placements, minimizing disruption to their education.

Collaborative Transportation Plans:

On a case-by-case basis, Sacramento Valley Charter School will work collaboratively with the foster youth's county child welfare agency, social worker, and the school's Transportation Department to design a tailored, practical transport solution.

Funding Agreements:

Sacramento Valley Charter School and the child welfare agency will work out an agreement that states whether or not the school will cover some or all of the cost of transportation for a foster youth. Sacramento Valley Charter School will provide transportation for foster youth only if:

- the local child welfare agency agrees to reimburse the costs in full;
- the caregiver, guardian, or other individual pays the transportation costs in full;
- the Sacramento Valley Charter School Board agrees to pay the cost in full; or
- the local child welfare agency and Sacramento Valley Charter School Board agree to share the cost.

Confidentiality:

Sacramento Valley Charter School is committed to ensuring that eligibility and transportation lists remain strictly confidential, ensuring foster youth are not singled out or identified by special passes or seating.

Re: *2026-27 Retainer Agreement for Legal Services*

Dear Mr. Sandhu and Dr. Dozier-Brown:

Please allow me to express Garcia Hernández Sawhney, LLP's ("GHS, LLP") appreciation to you and the Board of Trustees of Sacramento Valley Charter School (the "School") for providing us the opportunity to provide legal services to the School. This letter sets forth our firm's rate structure for legal services.

California *Business and Professions Code* Section 6148 requires a written fee agreement between the School and GHS, LLP. The written fee agreement sets forth the scope of legal services that GHS, LLP is prepared to perform and the fees that we charge for those services. This letter is intended to fulfill the requirements of Section 6148. Additionally, GHS, LLP carries professional liability insurance applicable to the services to be rendered.

Scope of Services

In accordance with the contents of this Retainer Agreement, the School is hiring GHS, LLP to provide legal services as needed to the School in labor and employment matters. We will provide all legal services reasonably required to represent the School's best interests in these areas, matters and any other matter forwarded to us for handling.

We will keep you informed of significant developments and promptly respond to all of your inquiries. GHS, LLP shall keep the Chancellor informed of progress and developments, respond promptly to the School's inquiries and communications, and make good-faith efforts to ensure control of fees and costs. The School agrees to cooperate with us, keep us informed of developments and pay our bills and all costs incurred on its behalf in a timely manner.

Fees. The School agrees to pay GHS the following hourly rates for general legal services: $340 for attorneys; $235 for Law Clerks; $195 for Paralegals.

The rates for legal services set forth above will remain in effect through June 30, 2027. After that date GHS is authorized to annually increase its rates by the amount of the percentage increase in the consumer price index for all urban consumers (CPI-U) for the 12 months prior to the date of rate increase, as recorded by the U.S. Department of Labor Bureau of Labor Statistics for the **Sacramento County region.**

Costs and Expenses/ Non-Attorney Consultant Services/ Other Charges. You will separately compensate GHS for its out-of-pocket expenses, including but not limited to costs and expenses incurred in connection with meetings or court hearings relating to the matter or any other meetings at which you request our presence, guaranteed overnight delivery, copy costs, filing costs and such other direct out-of-pocket expenses as are required in order for us to provide our services to you; provided, however, that we will absorb and not bill for minor in-house copy jobs, facsimile, and minor postage charges. You will also reimburse GHS attorneys for any mileage related to legal services under this Engagement Agreement at the IRS mileage rate. All costs incurred will be itemized on each monthly statement.

Billings. GHS will bill the School for legal services and costs on a monthly basis. The School agrees to pay the full amount set forth in our statements within 30 days of receipt of our invoices.

Independent Contractor. The School and GHS agree that in providing the services herein GHS is and remains an independent contractor and not an employee of the School. GHS does not anticipate that, in providing any legal service, it will have any interaction with a School student outside of the direct and immediate supervision and control of the student's parent or legal guardian or a School employee.

The School requests services that require unsupervised interaction, GHS will comply with the fingerprinting and background check requirements of section 45125.1 the Education Code (and will also comply with any other applicable requirements of law, including but not limited to vaccination or testing) for each attorney or other legal professional providing such services, prior to commencing any such services. This Retainer Agreement is intended to fulfill the requirements of California *Business and Professions Code* Section 6148, which requires a written agreement setting forth the scope of legal services and the fees to be charged by GHS for such services. Additionally, in compliance with section 6148, GHS hereby informs the School that GHS carries errors and omissions insurance coverage applicable to the services to be rendered and will provide evidence of insurance upon the School request.

E-Communications and Cloud Storage Consent. The School agrees and understands that GHS makes substantial efforts to provide means for prompt and efficient communication and document transmittal, including using e-mail providers, cloud storage services, video-conferencing and other similar technologies, and services. Since technology continues to evolve, there are vulnerabilities and risks related to use of such technologies, including the fact that the storage locations for storage of such communications and documents are outside the direct control of GHS. The School hereby consents to GHS's use of cloud-based document storage services and the use of email, video-conferencing and other similar means of communicating with the School representatives.

Term and Termination. This retainer agreement shall be effective as of August 12, 2026 and shall remain in effect until terminated by either the School's Board or GHS.

The Board may discharge us at any time, and the School agrees to execute all documents reasonably necessary to complete our discharge. In the exercise of our sole

discretion and consistent with the rules of ethics, we reserve the right to terminate this agreement on 30 days prior written notice, or to otherwise withdraw immediately from representing the School in any individual matter, and you agree to execute all documents reasonably necessary to complete our withdrawal. Conduct which may cause GHS to withdraw includes but is not limited to: (a) any failure to timely pay GHS's statements or costs incurred by GHS on the School's behalf; (b) any refusal to cooperate with GHS in a material matter; or (c) any fact or circumstance that would render GHS's continuing representation unlawful or unethical. In the event of such discharge, termination or withdrawal, the School agrees to pay all outstanding invoices and such legal fees and costs incurred as of the last day of GHS's representation of the School.

Upon termination, the School will have 90 days to either retrieve or direct GHS to forward all School files and records to the School, all at the School's expense. After said period, GHS may use its discretion to, in accordance with applicable rules of professional conduct, retain or destroy any School files and records that remain with GHS.

Execution and Delivery. This agreement may be printed and signed by hand, including in duplicate originals, or may be executed and delivered via electronic means. Electronic copies and/or signatures shall be considered originals for all purposes.

By their signature below, the signatories represent that they are duly authorized to execute and deliver this agreement.
