SCORING RUBRIC: PERFORMANCE TARGET GUIDELINES

The following GATE Performance Target Guidelines are designed to assist school personnel in completing their Annual GATE Report in the Principal's Portal. The Annual GATE Report is a tool for schools to review data and practices related to GATE implementation and develop Action Steps to address areas of need. The Annual GATE Report is also a tool for schools to communicate with families and community members about the school's GATE program. Please read the overall guidance for each Performance Target, which correlate to each of the four Program Components of the school's GATE program. There is also a section to list members of the school's GATE Screening Committee. Reports will be reviewed by Gifted/Talented Programs. Based on the information provided in the report, GATE implementation will receive an overall rating of Ineffective, Developing, Basic, Approaching Exemplary/Effective, or Exemplary/Highly Effective.
