## **Sharon Center School Board of Education**

The Special Walk-Through Meeting of the Sharon Board of Education began at 3:05 pm on Wednesday, December 22, 2021 in front of the school building.

Present were:

Board of Education Member: Deborah Rathbun

SCS Principal: Dr. Karen Manning

Asst. Superintendent/SCS Media Specialist: Jill Pace

Sharon Energy & Environment Commission: Douglas Rick and Carolyn Mattoon

The group walked to the proposed site for a solar array installation to visualize its size and scope. Potential fencing ideas and ground covers were discussed.

Mr. Rick volunteered to mark off the proposed space with posts to help interested persons visualize the site.

At approximately 3:45 pm, the group walked back to the school for an interior building tour led by Dr. Manning. The purpose of the tour was in response to the daycare request and planning for future building needs.

Dr. Manning led the group through an extensive tour of all rooms, utility areas and storage spaces on both levels of the building, including some spaces which the daycare currently uses. Carrie-Ann Olsen, director of Sharon Daycare, was present for the daycare portion of the tour. The meeting adjourned at approximately 5 pm.

Respectfully submitted,

Deborah Rathbun  
Board Secretary
