- *We envision a school community in which parents and community members will work with school staff to shape a culture of support and caring.*
- *We envision a school community in which the administrator will be a leader of leaders who is knowledgeable about current research in teaching and learning practices, who creates a professional climate conducive to shared leadership and who helps to develop leadership skills in others.*
- *We envision a school where the curricula will be aligned with local, state, and national standards for students' academic achievement and developmental needs. It will contain effective coordination and articulation with the school and throughout Region One.*
