

These minutes to be accepted/amended at the January 10, 2022 Board of Education meeting.

Sharon Center School Board of Education

The Special Walk-Through Meeting of the Sharon Board of Education began at 3:30 pm on Thursday, January 6, 2022 in front of the school building.

Present were:

Board of Education Members: Doug Cahill, Anne Vance, Kathleen Visconti

SCS Principal: Dr. Karen Manning

The group walked to the proposed site for a solar array installation to visualize its size and scope. Sharon Energy & Environment Commission member Douglas Rick had staked out the area to provide a visual of the proposed site.

The group walked back to the school for an interior building tour led by Dr. Manning. The purpose of the tour was in response to the daycare request and planning for future building needs.

Dr. Manning led the group through an extensive tour of all rooms, utility areas and storage spaces on both levels of the building, including some spaces which the daycare currently uses. The meeting adjourned at approximately 5:45 pm.

Respectfully submitted,

Kathryn Amiet
