

SCG-1050B- School Facilities School Survey

Note: This form is to be completed for each school in the LEA, including alternative schools, adult education facilities and rented space used for school programs.

A. School Overview

A1	Select "SCG-1050" for your LEA.	SCG-1050_SHARON
	This is your unique response identifier. Do not change:	1
A2	Change this from "Draft" to "Submitted", and click Save when you are ready to submit this form:	Submitted

A3	What is the name of the school:	Sharon Center School
A3a	School Code. Enter the same school code for this school available on the SDE's EdSight. (Go to http://edsight.ct.gov/ , look for Students > Enrollment Counts > Public School Enrollment to get enrollment data. Select the most recent year in the Year question, "All Districts" for the District question, "All Schools" for the Schools question and "All Students" for the Filter By question. Click select, then click "Export .csv file". The code needed is in the "School Code" column.) If the school is not in the SDE data, enter "new", here. (Revised 3/29/2021.)	1250111

A4	School Street Address	80 Hilltop Rd
A5	City	Sharon
A6	State	CT
A7	Zip Code	06069
A8	School Phone	860-364-5153
A9	<p>Latitude - This can be obtained using Google Maps. Zoom in on the location of the main entrance to the school on the map, and see the url: https://www.google.com/maps/@41.7648282,-72.6808098,17z?hl=en Use the first number, 41.7648282, in this example. Alternatively, you can right click on the front entrance to the school. A menu will appear with two numbers at the top. The first of the two numbers is the latitude. More information is available at https://support.google.com/maps/answer/18539?co=GENIE.Platform%3DDesktop&hl=en (question revised 5/3/2021)</p>	41.88225
A10	<p>Longitude - This can be obtained using Google Maps. Zoom in on the location of the main entrance to the school on the map, and see the url: https://www.google.com/maps/@41.7648282,-72.6808098,17z?hl=en Use the second number, -72.6808098, in this example. Alternatively, you can right click on the front entrance to the school. A menu will appear with two numbers at the top. The second of the two numbers is the longitude. More information is available at https://support.google.com/maps/answer/18539?co=GENIE.Platform%3DDesktop&hl=en (question revised 5/3/2021)</p>	73.47110
A11	Is the school currently in active use by the LEA?	Yes <input checked="" type="checkbox"/>

Check the grade levels served by this school:

A12 PK

A13 K

A14 1st

A15 2nd

A16 3rd

A17 4th

A18 5th

A19 6th

A20 7th

A21 8th

A22 9th

A23 10th

A24 11th

A25 12th

A26	Current Capacity – the maximum number of students that the school facility, as currently constructed, is capable of accommodating.	574
A27	General Parking Spaces	
A28	Accessible Parking Spaces	
A29	Number of portable classrooms	0
A30	Net Square Footage - inside the building envelope. Please include portables in this figure. (question revised 3/26/2021)	
A31	Gross Square Footage - including the building envelope. Please include portables in this figure. (question revised 3/26/2021)	55615
A32	Internet Connectivity	3 gig fiber CEN 
A33	Year opened	1923

B. Location Detail

B1	Primary Location Structure. Select the structural type of the portion of the facility that is of the largest square footage.	Reinforced Masonry Bearing Walls with Wood or Metal [▼]
B2	Secondary Location Structure. Select the structural type of the portion of the facility that is of the second largest square footage.	Reinforced Masonry Bearing Walls with Wood or Metal [▼]
B3	What is the total roof area?	35600
B4	Is the school ADA compliant?	Yes <input checked="" type="checkbox"/>
B5	What is the replacement cost of the school?	
B6 to 8	Reserved for future use.	
B9	Are CO detectors installed and in use, in accordance with relevant standards?	Yes <input checked="" type="checkbox"/>
B10	Is automatic fire suppression installed and in use in the entire school facility, in accordance with current fire codes, as confirmed by the fire marshal with jurisdiction over the school? (question revised 4/27/2021)	Yes <input checked="" type="checkbox"/>
B11	Is energy use metered at the school?	Yes <input checked="" type="checkbox"/>
B12	Enter the annual electricity usage in kWh/yr. Please use typical usage, especially if years affected by COVID-19 were anomalously low. (question revised 3/26/2021)	0
B13	Enter the annual natural gas usage in MCF. Please use typical usage, especially if years affected by COVID-19 were anomalously low. (question revised 3/26/2021)	0
B14	Enter the annual heating oil usage in gallons. Please use typical usage, especially if years affected by COVID-19 were anomalously low. (question revised 3/26/2021)	16000
B15	Enter other energy usage. Please use typical usage, especially if years affected by COVID-19 were anomalously low. (question revised 3/26/2021).	0
B16	What is the output (in kW) of the generator(s) on the school site.	0

C. Basic Building Information

C1	Approximate square footage of original building		55615
C2	Have there been extensions (additions) on this building?		Yes <input checked="" type="checkbox"/>
		<u>If you answered yes to question C2:</u>	
	C2y1	Number of extensions (additions) on this building:	
	C2y2	Approximate date(s) and square footage of extensions - enter all dates and square footages of each here:	1992 & 1955
C3	Approximate dates of any major renovations. Please enter all of the relevant dates in this field.		
C4	Does this facility contain a Central Office component (District BOE)?		Yes <input type="checkbox"/>
C5	What is the approximate size of the site (in acres) of this school or facility? If the school is located on a larger parcel with more than one school, please make an approximation of the acreage considered a part of each school, and include those figures in each different school's School Survey.		9
C6	Does this facility contain an alternative high school or similar program?		Yes <input type="checkbox"/>
C7	Does the facility contain any Community Use spaces? Community use space is space in a school that is used by the general public during school hours. It does not refer to community use of school space after school hours. School based health or dental clinics that are only for students are also not community use. (question revised 4/29/2021)		Yes <input checked="" type="checkbox"/>

D. School Program Features

D1	Does this facility have a School Readiness Program?		Yes <input type="checkbox"/>
D2	What is the estimated square footage included in this facility for a school readiness program?		<input type="text"/>
D3	Does the facility have a Full-day Kindergarten program (C.G.S. Section 10-285a(h))?		Yes <input checked="" type="checkbox"/>
D4	What is the approximate square footage of area used primarily for Full-day Kindergarten?		<input type="text"/> 204
D5	Does the facility have a Reduced Class Size program (C.G.S. Section 10-285a(h))?		Yes <input type="checkbox"/>
D6	What is the approximate square footage of area used primarily for the Reduced Class Size program?		<input type="text"/>
D7	Does the LEA have plans to change the grades served by this facility?		Yes <input type="checkbox"/>
	D7y1	Which grades were added or removed?	<input type="text"/>
D8	Does the LEA have plans to close this school facility?		Yes <input type="checkbox"/>
	D8y1	What is the current planned year of closure?	<input type="text"/>

E. Primary Building Features

	Does this facility contain the following building features? (check as many as apply)		
E1	Art room(s)		<input checked="" type="checkbox"/>
E2	Auditorium		<input type="checkbox"/>
E3	Black Box Theater		<input type="checkbox"/>
E4	Cafeteria		<input checked="" type="checkbox"/>
E5	Computer lab		<input checked="" type="checkbox"/>
E6	Combined cafeteria/auditorium (cafetorium)		<input type="checkbox"/>
E7	Full service kitchen		<input checked="" type="checkbox"/>
E8	Warming kitchen only		<input type="checkbox"/>
E9	Culinary teaching kitchen		<input type="checkbox"/>
E10	Gymnasium		<input checked="" type="checkbox"/>
E11	Auxiliary Gymnasium		<input type="checkbox"/>
E12	Swimming Pool		<input type="checkbox"/>
E13	Locker & Shower Rooms		<input checked="" type="checkbox"/>
E14	Music rooms (band/choral/etc.)		<input checked="" type="checkbox"/>
E15	Band or Choral Practice Rooms		<input type="checkbox"/>
E16	Media center / library		<input checked="" type="checkbox"/>
E17	Special Education spaces		<input checked="" type="checkbox"/>
E18	OT/PT rooms or spaces		<input checked="" type="checkbox"/>
E19	Pre-k classrooms or spaces		<input type="checkbox"/>
E20	Language labs		<input type="checkbox"/>
E21	Shop spaces (Automotive)		<input type="checkbox"/>
E22	Shop spaces (Woodworking)		<input type="checkbox"/>
E23	Shop spaces (Metal)		<input type="checkbox"/>
E24	Shop spaces (Other)		<input type="checkbox"/>
E25	Career or technical education office		<input type="checkbox"/>
E26	Career or Tech Ed Classrooms or Labs		<input type="checkbox"/>

E27	Health Program		<input type="checkbox"/>
E29	Culinary Program		<input type="checkbox"/>
E30	TV/radio studios		<input type="checkbox"/>
E31	Makerspaces		<input type="checkbox"/>
E32	Technology labs, for programs related to high technology, such as computers, robotics, engineering, etc. (question revised 3/26/2021)		<input type="checkbox"/>
E33	Teen Pregnancy Prevention Program		<input type="checkbox"/>
E34	Day Care Facility		<input checked="" type="checkbox"/>
E35	Pre-K		<input type="checkbox"/>
E36	Community Health Program Space		<input type="checkbox"/>
E37	Concession space		<input type="checkbox"/>
E38	Other Special Spaces		<input type="checkbox"/>
E39	Does this site contain one or more playscapes?		Yes <input checked="" type="checkbox"/>
	If question E39 is answered "yes":		
	E39y1	What ages served?	k-8
E40	Does this site contain one or more ballfields/playfields?		Yes <input checked="" type="checkbox"/>
	If question E40 is answered "yes":		
	E40y1	Number of ballfields/playfields?	2
E41	Does this site have an artificial turf field?		Yes <input type="checkbox"/>
E42	Are there any athletic fields with permanent outdoor athletic lighting?		Yes <input type="checkbox"/>
E43	Are all facilities Title IX compliant?		Yes <input checked="" type="checkbox"/>

F. Primary Building Systems Information

	Does this facility contain the following building features:	
F1	Central air conditioning (entire building)?	Yes <input type="checkbox"/>
F2	Central air conditioning (portions only)?	Yes <input checked="" type="checkbox"/>
F3	Individual window air conditioning (portions only)?	Yes <input type="checkbox"/>
F4	Room unit ventilators?	Yes <input type="checkbox"/>
F5	Adequate interior lighting according to locally applied standards?	Yes <input checked="" type="checkbox"/>
F6	Adequate exterior lighting according to locally applied standards?	Yes <input checked="" type="checkbox"/>
F7	Technology systems updated - no more than 5 years old? This question only relates to technology in the building systems themselves. (question revised 3/26/2021)	Yes <input type="checkbox"/>
F8	Updated HVAC / high efficiency boilers - no older than the expected useful life of the equipment?	Yes <input checked="" type="checkbox"/>
F9	Fully automatic fire suppression system (entire building)?	Yes <input type="checkbox"/>
F10	Updated telecommunications systems - no more than 5 years old?	Yes <input type="checkbox"/>
F11	Does the facility have a Building Management System?	Yes <input checked="" type="checkbox"/>
F12	Is a roofing warranty on file with the district and/or OSCGR?	Yes <input checked="" type="checkbox"/>
	Indicate the extent of the educational technology infrastructure in the facility. (Select all that apply)	
F13	Entire Facility	<input checked="" type="checkbox"/>
F14	Student Support Areas	<input checked="" type="checkbox"/>
F15	Some Classrooms	<input type="checkbox"/>
F16	All Classrooms	<input checked="" type="checkbox"/>
F17	Media Center	<input type="checkbox"/>
F18	Computer Labs	<input checked="" type="checkbox"/>
F19	Auditorium	<input type="checkbox"/>
F20	Cafeteria	<input type="checkbox"/>
F21	If this facility does not address the needs of the educational technology, explain why not.	
F22	List the total square footage of roof areas by roofing type:	
F23	What is the square footage of this facility's roof area that is more than 20 years old as of this report?	

G. Indoor Air Quality (IAQ) Issues

G1	Has the local or regional BOE adopted and implemented an IAQ program at this facility?	Yes <input type="checkbox"/>
G2	Is there a uniform inspection and evaluation program for IAQ at this facility?	Yes <input type="checkbox"/>

H. Safety & Security

H1	Has the district established a School Safety & Security Plan as required by C.G.S. 10-222n?		Yes <input checked="" type="checkbox"/>
H2	Has the district submitted a Safety & Security Plan to CT-DEMHS within the last year?		Yes <input checked="" type="checkbox"/>
H3	Was the safety & security plan developed with involvement of local officials?		Yes <input checked="" type="checkbox"/>
H4	Were school employees provided orientation on the safety & security plan?		Yes <input checked="" type="checkbox"/>
H5	Has OSCG&R FORM SCG-9000 been submitted by the district within the last year?		Yes <input type="checkbox"/>
H6	Has a Safety & Security committee been established for this facility?		Yes <input checked="" type="checkbox"/>
H7	Has a uniform security and vulnerability assessment been performed at this facility?		Yes <input checked="" type="checkbox"/>
H8	Has a safe school climate committee been established for this facility?		Yes <input checked="" type="checkbox"/>
H9	Have crisis management procedures been developed for this facility?		Yes <input checked="" type="checkbox"/>
H10	Do the management procedures have a command center structure and follow the recommendations of the federal National Incident Management System (NIMS)?		Yes <input checked="" type="checkbox"/>

H11	Are procedures in place for managing other types of various emergencies using the "all hazards" approach?		Yes <input checked="" type="checkbox"/>
H12	Has this facility completed the required no. of crisis and fire drills in the last school year?		Yes <input checked="" type="checkbox"/>
H13	Is this facility in compliance with current SSIC recommendations? The facility is in compliance with SSIC recommendations if the district and the Safety & Security committee for the facility have reviewed the School Safety Criteria (Appendix A of the Report of the School Safety Infrastructure Council) and have determined that the facilities, equipment and procedures at the facility meet the Criteria, in accordance with the judgement of the appropriate local authorities.		Yes <input checked="" type="checkbox"/>
H14	Have school personnel received security infrastructure training within the last year?		Yes <input checked="" type="checkbox"/>
H15	Has the building entrance been hardened to improve security since January 1, 2013?		Yes <input checked="" type="checkbox"/>
H16	Does this facility have carbon monoxide (CO) detection installed?		Yes <input checked="" type="checkbox"/>
H17	Has a radon mitigation system been installed in this building?		Yes <input type="checkbox"/>
	<u>If this question is answered "yes":</u>		
	H17y1	Passive or Active?	<input type="text"/>

I. Water System

I1	What is the name of the Water System company serving the facility? If not served by a water system, what is the source potable water?		<input type="text" value="Sharon Sewer & Water"/>
I2	Does this site contain one or more water storage tank(s)?		Yes <input type="checkbox"/>
	<u>If this question is answered "yes":</u>		
	I2y1	What is the age of each tank in years? (separate with a comma)	<input type="text"/>
I3	Is the water supply currently serving this facility adequate to meet the facility's needs? This applies both to the quality and quantity of water. Only answer "yes" if the district can do so from evaluation of both quality and quantity of water done in accordance with applicable standards.		Yes <input checked="" type="checkbox"/>
I4	Has the water been checked regularly to ensure that is safe, i.e. no lead, no toxic chemicals, etc.?		Yes <input checked="" type="checkbox"/>

J. Accessibility

J1	Has this facility had an accessibility compliance review by CT-SDE within the last 5 years?		Yes <input type="checkbox"/>
	<u>If this question is answered "yes":</u>		
	J1y1	Have the issues noted in the compliance review been successfully resolved?	<input type="text"/>
J2	Has this facility been subject to a code violation, including accessibility (CV) citation within the last 5 years?		Yes <input type="checkbox"/>
J3	Has this facility applied for or received a code violation (CV) grant within the last 5 years?		Yes <input type="checkbox"/>
J4	Are the site elements and exterior spaces at this site fully ADA compliant? "Exterior spaces" refers to outside of the building envelope. (question revised 3/26/2021)		Yes <input checked="" type="checkbox"/>
J5	Are there any outstanding code violations for accessibility that have not been addressed?		Yes <input type="checkbox"/>
J6	If this facility contains playscapes, are the playscapes fully ADA-compliant?		Yes <input type="checkbox"/>

	Are the following, if present, fully ADA-compliant?		
J7	Ballfields		Yes
J8	Viewing stands		NA
J9	Press boxes		NA
J10	Football/Soccer fields		Yes
J11	Tennis courts		NA
J12	Running tracks		NA
J13	Other OAF (Outdoor Athletic Facilities)		NA

K. Green Cleaning

K1	Has the BOE adopted or implemented a Green Cleaning Program at this facility?	Yes <input checked="" type="checkbox"/>
K2	Does the BOE have a written statement of the Green Cleaning Program at this facility?	Yes <input checked="" type="checkbox"/>

L. Energy

L1	Primary heating source		Fuel oil
L2	Type of HVAC system?		Trane
L3	Fuel source for heating system?		Fuel oil
L4	Is a steam system or hot water system in use?		Hot water
L5	What is the approximate age of the boilers?		17 Years
L6	Are there any split unit air conditioners in use?		No
L7	Are any window air conditioners in use?		No
L8	Does this facility have a photo-voltaic array (P/V)?		Yes <input type="checkbox"/>
	<u>If this question is answered "yes":</u>		
	L8y1	Year of installation of oldest photo-voltaic array	

L9	What is the square footage of the panels in that array?		<input type="text"/>
L10	What is the output of the array? (kWh per year)		<input type="text"/>
L11	What year was the array installed?		<input type="text"/>
L12	Where is the PV array located?		<input type="text"/>
L13	If there is a PV rooftop array, how are the panels fixed in place?		<input type="text"/>
L14	If there is a PV rooftop array, who owns the panel system?		<input type="text"/>
L15	Does this facility have a generator?		Yes <input type="checkbox"/>
	<u>If this question is answered "yes":</u>		
	L15y1	What is the fuel source of the generator?	<input type="text"/>
L16	Does this site contain one or more underground oil tank(s)?		Yes <input checked="" type="checkbox"/>
	<u>If this question is answered "yes":</u>		
	L16y1	Age of oldest underground oil tank (years):	<input type="text" value="2019 - 2 years"/>
L17	What were the heating, lighting and other energy expenditures at this school in the most recently completed fiscal year?		<input type="text"/>
L18	Is this facility currently served by natural gas?		Yes <input type="checkbox"/>

M. Climate Change Readiness

M1	Is the first floor of the school located 1-foot (min) above the 500 year base floodplane event on the SCG-5003, Flood Management Certification? (Information on the Connecticut DEEP Flood Management Certification Program, including the "DEEP's Flood Management Certification Fact Sheet" and the "Method for calculating the 500 year Flood Elevation in a FEMA Designated Coastal Flood Hazard Area" can be found on the DEEP website.)	Yes <input checked="" type="checkbox"/>
M2	Is any part of the site this facility is on in a 500 year flood plain?	Yes <input type="checkbox"/>
M3	Is any part of the site this facility is on in a 100 year flood plain?	Yes <input type="checkbox"/>
M4	Is any part of the site this facility is on in a coastal hazard area?	Yes <input type="checkbox"/>
M5	Does this site contain wetlands?	Yes <input checked="" type="checkbox"/>

N. Cost Estimates

N(a)	What is the expected heating, lighting and other energy expenditures at this school for each year? Base this on past experience, accounting for anticipated rising costs.					
	What is the fiscal year of year 1 of these estimates? Enter the four-digit year of the fiscal year to which year 1 of your estimates applies (for example, the 2020-2021 fiscal year would be entered as 2021). Year 2 will then be for the fiscal year after Year 1, and so on.	2020 - 2021				
		Year 1 dollar estimate	Year 2 dollar estimate	Year 3 dollar estimate	Year 4 dollar estimate	Year 5 dollar estimate
		87000				

N(b)

From the district five year plan, provide the planned preventive maintenance, including equipment replacement, at this school for this year. Estimates should be based on what is actually planned or based on the past experience of what is allocated by the Board of Education and municipality. These would not be for expenses for which the district has or plans to apply for School Construction Grant reimbursement, which are reported under N(c) If this is not currently in your five year plan, please add an addendum to the copy of your five year plan that you upload, noting the cost of the preventive maintenance planned for each school during each year of the five year plan. If the amount planned is insufficient to perform the necessary maintenance, such as is indicated by product manufacturers, please also note the fact of that insufficiency in your five year plan or in the addendum to it.

What is the fiscal year of year 1 of these estimates? Enter the four-digit year of the fiscal year to which year 1 of your estimates applies (for example, the 2020-2021 fiscal year would be entered as 2021). Year 2 will then be for the fiscal year after Year 1, and so on.

		Year 1 dollar estimate	Year 2 dollar estimate	Year 3 dollar estimate	Year 4 dollar estimate	Year 5 dollar estimate

N(c)	<p>From the district five year plan, provide the expenditures planned on school construction projects for which a School Construction Grant application has been or may be submitted to OSCGR for this school. Please place costs in the year the expenditures are planned to occur. If not already noted in your five year plan, please add an addendum to the copy of your five year plan that you upload noting each project for which expenditures are still planned. Please note the project numbers of any of these projects that were already approved.</p>					
	<p>What is the fiscal year of year 1 of these estimates? Enter the four-digit year of the fiscal year to which year 1 of your estimates applies (for example, the 2020-2021 fiscal year would be entered as 2021). Year 2 will then be for the fiscal year after Year 1, and so on.</p>	<input data-bbox="298 998 463 1039" type="text"/>				
		Year 1 dollar estimate	Year 2 dollar estimate	Year 3 dollar estimate	Year 4 dollar estimate	Year 5 dollar estimate
		<input data-bbox="298 1321 463 1362" type="text"/>	<input data-bbox="717 1321 882 1362" type="text"/>	<input data-bbox="901 1321 1065 1362" type="text"/>	<input data-bbox="1078 1321 1243 1362" type="text"/>	<input data-bbox="1262 1321 1426 1362" type="text"/>

N(d)1	<p>What is the project number of most recent major School Construction Grant funded project at the school. Please only include projects substantially completed within the last three years. "Major projects" would be limited to new, renovation, extension or extension/alteration projects. (question revised 5/3/2021)</p>					
N(d)2	<p>What is the net square footage of the project. Use the whole school after construction for new and renovation projects, and only the square footage after construction of the project area for all other projects reported, here.</p>					
N(d)3	<p>What were the construction costs for this project (see Form SCG-2003)?</p>					
N(d)4	<p>What were the soft costs for this project (see Form SCG-2004)?</p>					
N(d)5	<p>What were the other costs for this project (see Form SCG-2002)?</p>
