The Los Angeles School Police Department facilitates Active Shooter Presentations for LAUSD administrators and staff who are immediate responders during an active shooter incident. The Active Shooter Presentation provides the following strategies to local school site administrators and staff:

- Lessons learned from previous active shooter incidents
- Updates to LAUSD Integrated Safe School Plan (ISSP)
- Identify pre-incident indicators that threaten the safety of a site's occupants
- Identify steps to implement an effective school lockdown
- Identify the action steps to implement a Rapid Relocation in the event of a security breach
- Identify Swatting incidents and best practices for staff on campus
