

LOS ANGELES SCHOOL POLICE DEPARTMENT TRAINING BULLETIN

Per Los Angeles School Police Department Policy Manual section 703.3.1, you are reminded to complete a detailed vehicle inspection prior to starting your shift. This inspection should include but is not limited to; a check of the vehicles weapon retention system. To consist of ensuring the location of each weapon retention system and the proper functioning of the mechanism.

Attached are photographs of the different weapon retention systems currently in service.

703.3.1 SHIFT ASSIGNED VEHICLES

Members who use a fleet vehicle as part of their work assignment shall ensure that the vehicle is properly checked out and logged on the daily shift roster, according to current procedures, prior to taking it into service. If for any reason during the shift the vehicle is exchanged, the member shall ensure that the exchanged vehicle is likewise properly noted on the daily shift roster.

Members shall be responsible for inspecting the interior and exterior of any assigned vehicle before taking the vehicle into service and at the conclusion of the shift. Any previously unreported damage, mechanical problems, unauthorized contents or other problems with the vehicle shall be promptly reported to a supervisor and documented as appropriate.
