

BUILDING FOR TOMORROW
Your Voice, Your Legacy

YOU WERE HERE THEN...BE HERE NOW

Dear Alumni!

YOU Can Be Part of The Alumni Legacy Bridge

**You helped make this possible, and now you
can help leave your mark on what comes next.**

For generations, Forest Lake Academy has been shaped by the students, families, faculty, and alumni who have poured into this school and believed in its future. Today, that legacy is becoming part of something new. As the two new buildings rise on campus, we are seeing the next chapter of Forest Lake Academy take shape before our eyes.

**Now that the bridge and buildings are visible
and the finish line is in sight, we need to close the gap on our goal, and that's
where you come in. Connecting the new and existing buildings will be
the Alumni Legacy Bridge, a meaningful symbol of Forest Lake's past,
present, and future and of the generations of alumni who remain connected to
this place and its mission.**

As your Alumni and Development Director, I'm incredibly grateful to watch this project come to life, and **as we approach Alumni Weekend, November 6–7, I invite you to help make the Alumni Legacy Bridge a lasting part of the Forest Lake story.** Below are a few questions we've been hearing, along with answers we hope will help you prayerfully consider your own giving decision.

GIVE NOW: TOGETHER WE CROSS THE BRIDGE

A Few Questions We've Heard From You

1. As an FLA alum, am I limited to giving only to the Alumni Legacy Bridge? No! While we would love for you to be part of the Alumni Legacy Bridge, it is just one of many ways you can make a difference at FLA. You can give toward Building for Today to support our current students, or Building for Tomorrow and even put your name, or the name of someone special, on a classroom, entryway, or gathering space. Wherever your heart leads, your gift helps continue the FLA legacy and create opportunities for the students who are here today and those still to come.

2. When is the best time to give to the Legacy Bridge? The best time is NOW! The Florida Conference has established a special matching gift opportunity that will double the impact of qualifying gifts made during this phase of the campaign. It has already encouraged others to step forward with renewed enthusiasm, and it means your gift and the naming opportunity it unlocks can go twice as far.

3. How close are we to reaching the Alumni Legacy Bridge goal? The complete cost of the bridge is \$146,280. We are prayerfully seeking \$60,600 by Alumni Weekend (November 6-7, 2026).

4. How close are we to reaching the total campaign goal? We currently have about \$3 million left to raise to complete this phase of the campaign. Following this phase, we will tackle the additional \$8 million loan that the school will need help paying off over time. Every gift brings us closer to real, lasting sustainability for Adventist Education at FLA.

5. If I'm interested in a naming gift, what's the next step? Simply reach out to me directly (Heidi.Vega@forestlake.org or [305-979-5260](tel:305-979-5260)) and I'll walk you through the Building Naming Chart, answer any questions, and help you find the space that fits your gift and your heart.

6. Can I come see the building in person? We will be having a Grand Opening soon! We have not finalized the date yet, as we are waiting for all the buildings to be completed. We will share the date once those details are finalized. If you would like to see the building before the Grand Opening, please contact me (Heidi.Vega@forestlake.org or [305-979-5260](tel:305-979-5260)), and I'd be happy to give you a tour of the space.
