Alumni Legacy Bridge Together We Cross

You can help build the Alumni Legacy Bridge — your lasting link between past, present, and future generations. Together, we can reach our **\$60,600 goal** by **Alumni Weekend** on **November 6-7, 2026**

As a reminder, **now is a great time to give to the Alumni Legacy Bridge. The Florida Conference is matching qualifying gifts during this phase of the campaign, allowing your contribution to have twice the impact** as we work together to make this vision a reality.

While we hope you'll consider being part of the Alumni Legacy Bridge, there are other ways to support FLA as well. **Through *Building for Today*, you can support the students who are here now, or through *Building for Tomorrow*, you can help make the new building possible.** Naming a classroom, entryway, or gathering space is also an option for those who would like to honor themselves or someone special.

Whatever you choose, your generosity helps shape the future of FLA.

COMING BACK TO WHERE IT ALL BEGAN

Registration is now open for Alumni Weekend, and we're getting ready to welcome familiar faces back to campus for a weekend of reconnecting, reminiscing, and celebrating what makes FLA home.

This year, we're honoring the classes ending in 1 and 6, while welcoming alumni from every generation of Forest Lake Academy.

A special Sabbath service will feature Juan Rodriguez, Class of 1991, as our guest speaker.

WE NEED YOUR HELP

We're still looking for class representatives for:
1966 | 1981 | 1991 | 2006 | 55+

If you're part of one of these classes and would like to serve as your class representative, we'd love to hear from you. Class representatives help organize activities and bring their classmates together for the weekend.

REGISTER TODAY

Come back to the place where your FLA story began. Reconnect with the people who shared it, walk the campus that holds so many memories, and make a few new ones along the way.
