

BUILDING FOR TOMORROW
Your Voice, Your Legacy

YOU WERE HERE THEN...BE HERE NOW

Dear Alumni!

CELEBRATE WITH US!

The Power of a Matched Family Gift

You are part of our ongoing “Building for Tomorrow” campaign, and we are grateful to celebrate the support of families who continue to believe in the mission and future of Forest Lake Academy and Adventist Education.

Recently, the Moon family made a generous combined gift of \$12,550 toward the campus building project. Annette Moon, along with her children Kara Moon, Class of 2008, Alison Moon, Class of 2010, and Robert Moon, who attended from 2009 to 2011, came together to support the future of Forest Lake Academy in a meaningful way.

Through the current matching opportunity provided by the Florida Conference, the Moon family’s combined gift qualified for several naming opportunities. The family chose to name a classroom within the existing classroom building, which will also receive a complete facelift and renovation to match the design and quality of the new classroom building

Their contribution and matching gift together increase the impact of their generosity and help further advance the vision of the project.

The “Building for Tomorrow” campaign is about more than improving facilities. It is about creating spaces where students will learn, grow, worship, and build lifelong foundations for generations to come. **As we continue investing in the future of Forest Lake Academy, we invite you to prayerfully consider how you will partner with us to help shape the next generation through your support of this project.**

MULTIPLY YOUR GENEROSITY

You have an incredible opportunity right in front of you.

The Florida Conference has made a matching program available for our building project, and families like the Moon Family have already taken advantage of it, securing a naming opportunity for an exciting new classroom in honor of their family.

Now it's your turn. With this matching program, your gift goes further, opening the door for you to step into a higher-level naming opportunity. Placing your name, your family's name, or your business name on something that will inspire and endure for years to come.

Don't let this moment pass you by. **Take advantage of the Florida Conference matching program and leave your legacy on this building.**

MULTIPLY YOUR GENEROSITY - GIVE NOW!

BE PART OF A LASTING LEGACY

Alumni Legacy Bridge Together We Cross

You can help build the Alumni Legacy Bridge — your lasting link between past, present, and future generations. Together, we can reach our **\$63,640 goal** by **Alumni Weekend** on **November 6-7, 2026**

Thank you to everyone who has already given in support of the Alumni Legacy Bridge. We are grateful for the strong start, with **\$20,000** already raised toward the **\$146,280 project goal**.

In support of the Building for Tomorrow Campaign, the Florida Conference of Seventh-day Adventists recently announced a matching challenge. Every NEW gift given to the Alumni Legacy Bridge will trigger a matching gift. To fully maximize the matching program, we still need to attain \$63,640 in new gifts, helping us move toward the full \$146,280 goal.

If you have not yet had a chance to participate OR if you'd like to make an additional gift, this is a meaningful moment to do so. Your gift helps build momentum, activate matching dollars, and bring us closer to fully crossing the bridge together as an alumni community.
