PURPOSE: The policy provides guidance to school and District office administrators about establishing and administering volunteer programs that support the Los Angeles Unified School District's (LAUSD) goals. LAUSD values volunteers as essential partners in supporting student achievement. This volunteer program policy is established to provide a safe environment for all and support the involvement of parents/legal guardians and community members in LAUSD public schools. Parents/legal guardians have the right to be included in the educational process and access the system on behalf of their children. These rights are outlined in the California Education Code, Section 51101(a)(3), indicating parents/legal guardians have the right "to volunteer their time and resources for the improvement of school facilities and school programs under the supervision of district employees, including, but not limited to, providing assistance in the classroom with approval, and under the direct supervision, of the teacher. Although volunteer parents may assist with instruction, primary instructional responsibility shall remain with the teacher."

MAJOR CHANGES: This bulletin replaces BUL-6746.4 of the same name, dated August 15, 2022. This revised policy explains the enhancements to the Volunteer Management System, new procedures for Live Scan fingerprinting, updates procedure of the former Tier I Single Event Volunteer option with a new form and includes mandatory school site Volunteer Orientation that school sites must use to train volunteers. Each school must submit the names of their volunteer designees to the Principal Portal by the fourth Friday in September of each school year. The bulletin also updates procedures due to the Los Angeles Unified rescinding the COVID-19 vaccine mandate on September 26, 2023, and updates the timeframe of

fingerprint requirements for volunteers who have been inactive. This version begins to transition credential seeking candidates to the processing arrangement made by the Human Resources Division and establishes procedures for school sites to host single event volunteer opportunities with external organizations.

GUIDELINES: I. LAUSD SCHOOL/OFFICE VOLUNTEER PROGRAMS

What is a volunteer?

A volunteer is any individual who **assists** at a school site or District office without monetary compensation. This includes parents, community members, interns, and in some cases, high school or college students who are **assisting** classified and certificated personnel.

Parents/legal guardians who cannot volunteer at the school site during the day due to various circumstances may apply to be an at-home or virtual volunteer, where they can participate in the virtual environment or may support volunteer activities from their homes.

In addition, the school administrator or administrative designee can decide if volunteer services are needed or to deny any person on-campus volunteer service opportunities. When the volunteer is a parent/legal guardian of a child at the school, the school administrator is encouraged to identify ways that the parent/legal guardian can volunteer from home. The administrator or administrative designee can also determine when volunteer services are no longer needed and discontinue volunteer services with the guidance of Region Family and Community Engagement Administrator. A comment should be included in the Volunteer Management System with the rationale used to discontinue volunteer service.

II. PURPOSE OF THE LAUSD SCHOOL/OFFICE VOLUNTEER PROGRAMS

The LAUSD School Volunteer Program aims to augment and enhance educational and support services to schools and offices by leveraging the rich talents and expertise of parents/legal guardians and members of the school community. Volunteers contribute to schools and District offices in the following ways:

- a. Enrich the school experience for students and staff.
- b. Assist teachers in the classroom.
- c. Assist students, staff, parents, and community with activities.
- d. Promote partnerships between the school, the District, the home, and the community.
- e. Serve as positive role models for students.
- f. Assist school personnel in promoting District programs and services such as Parent Portal, the School Volunteer Program, and school events, to name a few.

III. FOUR-TIERED VOLUNTEER SYSTEM

The four-tiered volunteer system was developed to assist the school community with identifying the various health and safety requirements, and duties and responsibilities for volunteers. The duties and responsibilities outlined below are only a summary and are ***NOT intended to be all-inclusive***.

Tier 1	Tier II	Tier III	Tier IV
On-Demand Safety Volunteer (activated by Superintendent for emergencies)	Classroom Volunteer	One-on-One Tutor	Virtual or At-Home Volunteer
	Room Parent	Cafeteria Volunteer

	Parent and Family Center Volunteer		
	Field Trip/Event Chaperone Volunteer

The volunteer completes the On-Demand Volunteer Application and submits it to the principal or designee. A volunteer must complete required procedures if they are processed initially as a virtual Tier IV volunteer and decide at a future date to expand their service to the physical campus.

Athletic Coach

Individuals interested in applying to volunteer at a high school as an athletic coach need to contact the school's Athletic Director or administrative designee in charge of athletics. Athletic volunteer applications are processed through LAUSD's Interscholastic Athletic Department, which certifies that volunteers have met all requirements. For more information on volunteering as an athletic coach, please contact the Interscholastic Athletic Department at (213) 241-5847.

Fingerprinting

Fingerprints are captured electronically through the Live Scan process. The fingerprint data is submitted to the California Department of Justice (DOJ) to perform a statewide criminal record search. The DOJ also sends fingerprints to the Federal Bureau of Investigation (FBI) to check against the national criminal history database. The District is precluded from sharing or divulging criminal record history, unless expressly authorized, to outside entities. Information received is kept confidential and destroyed once a determination is made. Attachment G1/G2 includes steps volunteers must follow to ensure Los Angeles Unified receives fingerprinting results and updates. A job aid is available by visiting lausd.org/volunteer to ensure volunteers submit a unique code which links the candidates volunteer service to the Los Angeles Unified.

In the case the Live Scan results are determined to be of low quality by the DOJ, a school administrator will receive a letter from SFACE by email advising the volunteer they need to reprint at the same location. The letter should be given to the volunteer for them to revisit the same Live Scan location to complete fingerprinting requirements. The original ATI number **must be** utilized by the LiveScan vendor to ensure the DOJ is able to differentiate the processing of fingerprints.

Additionally, if Live Scan results have not been recorded on the Volunteer Application within 60 days, the volunteer must schedule another fingerprint appointment to complete the Live Scan process.

NOTE: The fingerprint clearance can take up to 30 days to complete *after* school site approval. Schools must plan in advance for Tier III Volunteers.

IV. VOLUNTEER APPLICATION PROCESS

Tier I Volunteers complete the On-Demand Safety Volunteer Application (Attachments B1/B2) and submit the completed application to the principal or another authorized administrator for approval. These instances are rare. These applications do not need to be submitted to the District or Regional Office for approval. In addition, Tier I Volunteers must sign and submit the Volunteer Commitment Form (Attachments C1/C2) and Liability Waiver. Administrators must ensure these volunteer applications are locked in a secure locked location in the main office for five years.

Tier II and Tier III Volunteers must have an application on file in the online Volunteer Management System (Attachments D1/D2). In addition, Tier II and Tier III Volunteers must sign and submit the electronic copy of the Volunteer Commitment Form and Liability Waiver. Schools must provide support if volunteers require assistance completing the application online. Attachments E1/E2 and Attachment F contain step-by-step details regarding the application process.

Approved Tier II volunteers seeking to become Tier III volunteers must fulfill additional Tier III requirements before providing Tier III services.

Information for Volunteers

- Individuals interested in volunteering must check with the school administrator or designee regarding available Tier II and Tier III volunteer opportunities before submitting an application in the Volunteer Management System.
- All applicants must accept the School Volunteer Program waiver of liability.
- Volunteers must electronically sign and abide by the LAUSD Volunteer Commitment Form.
- Volunteers must attend the school's Volunteer Orientation and follow all school and District policies, including the LAUSD Code of Conduct with Students and the LAUSD Employee Code of Ethics.
- Volunteers do not receive compensation for the services they provide.
- Volunteers must meet specific health and safety requirements, including Tuberculosis (TB) clearance.
- Volunteers may not replace the direct job duties of a LAUSD employee.
- On-Campus volunteers are **NOT** permitted to bring children during their service hours.
- Only approved Tier II and Tier III volunteers shall chaperone students on a field trip for the day. Tier III volunteers may also chaperone overnight field trips.
- On-Campus Tier II and Tier III Volunteers will receive a temporary badge via email once the Office of SFACE has approved the application. An official LAUSD volunteer badge will be issued by the Office of SFACE and sent through school mail to the school site within the following weeks.
- Virtual volunteers approved by the Office of SFACE will not receive a LAUSD Volunteer Badge. Virtual Volunteers have

clearance to begin service once they receive an approval letter via email from the Office of SFACE.

- Once a person receives the temporary LAUSD volunteer badge provided by the Office of SFACE and they complete the Volunteer Orientation, the person is approved to provide on-campus Tier II or Tier III volunteer services at the designated school or office until the end of the school year. The principal or their designee may also determine when volunteer services are no longer required.
- On-Campus Tier II and Tier III Volunteers must sign-in and pick up their LAUSD volunteer badge upon entering the campus. School volunteers are to sign-out when they exit the campus and must leave their LAUSD volunteer badge at the designated school location at the end of the day.
- The temporary and the permanent LAUSD volunteer badge are not transferable between volunteers or between school and office sites. The volunteer badge must always be visible while the volunteer is providing service on campus.
- Volunteer badges not provided by the Office of SFACE but generated by a school, District office, or school photography company are not official LAUSD volunteer badges.
- Volunteers needing to schedule a fingerprint appointment with a LAUSD-approved third-party fingerprint vendor must have the first five (5) digits of their Volunteer Application Identification Number.
- To avoid any fees for fingerprinting, the volunteer must bring the QR code provided by the LAUSD-approved third-party fingerprint vendor to their appointment. A job aid is available by visiting <https://www.lausd.org/volunteer>.

V. THE ROLE OF THE APPROVER AND DESIGNEE

- The school or District office administrator shall assume general authority and responsibility over all volunteers or may designate other staff to coordinate and support the volunteer program. The administrator must contact the SFACE office by emailing families@lausd.net to identify a designee or additional Approver

who will be granted access to the online Volunteer Management System. The email to request designee or additional approver access should include the employee's legal first and last name, employee ID number, LAUSD email address, title, class code, name of the school, and location code. Non-district employees may not serve as approvers.

- **The site administrator is the only automatic Approver.** The Approver must ensure that the volunteer has all the required health and safety clearances before approving the application in the Volunteer Management System. The SFACE staff will complete the final review and approval of the application. The volunteer will receive an email with an approval letter. On-Campus volunteers will also receive a temporary badge via email. The volunteer badge indicates that the volunteer is ready to begin their duties. Schools will receive a current school year LAUSD volunteer badge for each On-Campus volunteer via school mail. The school will notify the prospective volunteer when their badge has arrived at the school. The current LAUSD volunteer badge must remain at the school in a secure location.

The Approver must also ensure the following occurs:

- a. All volunteer applicants, including LAUSD employees and continuing volunteers, are checked annually against the California Megan's Law Website. Any prospective volunteer whose name appears on the California Megan's Law Website will not be approved to volunteer through the District's School Volunteer Program. Megan's Law review must be completed by the school site through the following website:
meganslaw.ca.gov.
- b. Health and safety clearance requirements, including Tuberculosis clearance and any new health requirement communicated to volunteers and staff are met.
- c. Paper copies of the signed Tier I On-Demand Volunteer Application Forms, Liability Waivers, and Volunteer Commitment Forms are kept on file in the main office in a secure and locked location for five (5) years.

Note: All Tier II and Tier III electronically signed Online Applications, Volunteer Commitment Forms, and Liability Waivers are on file in the Volunteer Management System.

- d. On-Campus Tier II and Tier III Volunteers must not begin service until they have received an email with an approval letter and temporary LAUSD volunteer badge, issued by the Office of SFACE. Volunteers must also complete the required orientation. A module is available for school personnel by visiting lausd.org/sface under the Tools for Schools tab.
- e. Volunteers are notified when the school receives the official volunteer badge from the SFACE office via school mail.
- f. The volunteer badges for On-Campus Tier II and Tier III Volunteers are returned to the school at the end of each day.
- g. Appropriate supervision of volunteers is always provided. Depending on the type of volunteer, a volunteer may be assigned to a classroom teacher, Parent and Family Center staff, or other school staff.
- h. Assigned volunteer duties do not conflict with those of LAUSD employees.
- i. Volunteer does not have access to student, family, or employee records.
- j. All Tier II and Tier III volunteers in the Volunteer Management System must be approved or denied by the administrator or designee within thirty (30) days of the school site having collected all required information. If the application is denied, the administrator or designee must include comments in the Volunteer Management System explaining why the application was denied.
- k. School sites are to communicate volunteer assignments and hours of services in public spaces such as the Parent and Family Center, main office, or the site designated for volunteer sign-in and sign-out.
- l. Process field trip volunteers' weeks in advance to ensure appropriate support is available to supervise students.

Volunteer Management System Color Coding System

The Volunteer Management System includes a color-coding system to inform users of the status of an application.

Pending

The application is pending school site approval. This means the documentation required for the volunteer was cleared, and the administrator or school designee must offer one final approval in the Volunteer Management System.

Processing

The application is in process. It has been approved by the school site administrator or designee and is pending final review and approval by the office of SFACE.

Approved

The application has been approved by the SFACE, and the volunteer may begin service.

***Hover over the purple Approved button to print the volunteer letter and temporary badge**

Denied

The application has not been approved by the school site administrator. Principals have the discretion to deny the volunteer application.

Incomplete or Error

The application requires initial school site review and action. The application is incomplete and may contain errors such as missing Tuberculosis (TB) clearance or the Megan's Law review date.

***Hover over the yellow Incomplete or Error button to see the explanation.**

Fingerprints Pending

This Tier III application is missing fingerprint clearance. Once the fingerprint results are received, the Office of SFACE will enter the clearance date in the Volunteer Management System and the school can approve the application.

Volunteer Management System Pre-Population of Data Process

Prospective volunteers are invited to create a new application when the application opens for the new school year. This process will ensure that all on-campus applicants agree to the Waiver and Release of Liability and the Statement of Understanding Regarding

COVID-19 Infection. Additionally, prospective volunteers must submit proof of TB clearance to the volunteer site.

Continuing Volunteers

The Volunteer Management System stores applicant contact information, such as name, address, phone number, email address, fingerprint, and TB clearances. This data will prepopulate from one application to the next for continuing volunteers. Volunteers will review that all information is correct and select the type of volunteer service they wish to provide in addition to the volunteer location. Volunteers must continue using the same user authentication email account used to register as a volunteer the previous year(s) to see their data pre-populate. Volunteers who want to provide service at multiple locations can do so.

Designees and Approvers must annually enter the date they verified when each applicant did not appear on the California Megan's Law Website. TB clearance dates may be re-entered and are valid for up to four years from the initial clearance date. If volunteers have not had more than a two-year gap in service, SFACE will enter the Fingerprint Clearance dates.

VI. DISCONTINUATION OF VOLUNTEER SERVICES

Volunteers who violate District's policies, including, but not limited to discrimination, harassment, child abuse and neglect, corporal punishment, drugs and alcohol, attendance and dependability, confidentiality, violence, safety, and posing a danger or threat to staff, students, or other adults, or violating the privacy of students or any other person on the school site, may be subject to dismissal from the volunteer program. Further, school or District administration have the discretion to dismiss volunteers for failure to follow the Respectful Treatment of Others Board Resolution, the LAUSD Code of Conduct with Students, and the LAUSD Employee Code of Ethics. Additionally, the failure to abide by the signed Volunteer Commitment Form may also cause a volunteer's services to be discontinued. This includes someone who has been issued a disruptive person letter during the current school year. A District approved letter to discontinue the service of a volunteer is available by contacting Region Family and Community Engagement (FACE)

Administrative Coordinators. Prior to discontinuing the service of a volunteer, it is advised that the school Principal obtain the approval from Region leadership.

The SFACE office must be informed in writing of such action.

VII. SAFETY CLEARANCE REQUIREMENTS

California Megan's Law Website Clearance

Per District policy, the administrator or administrative designee must check all volunteers, including on-campus and virtual volunteers, LAUSD employee volunteers, and continuing volunteers serving in schools and District offices, against the California Megan's Law Website at <http://www.meganslaw.ca.gov/>. Any volunteer applicant whose name appears on the California Megan's Law Website is prohibited from serving as a volunteer on-site in any capacity for any length of time, including Single Event activities.

Federal Bureau of Investigation (FBI) and Department of Justice (DOJ) Fingerprint Clearance

Tier III volunteers must be fingerprinted. Volunteer applicants need to be fingerprinted only once during their volunteer services. However, a new fingerprint clearance is required if the volunteer surpasses a 60-day gap in service. LAUSD adheres to the California State statutes on supervised volunteerism in public schools. Fingerprinting is free of charge for parents and community volunteers by using the District's third-party provider. To ensure volunteers do not experience a gap in service exceeding 60-days during the summer recess, their applications will remain active until the first day of instruction. This process will offer a grace period at the start of the new school year to reapply as a Tier III volunteer.

Active LAUSD employees may use their District employment start date as their volunteer fingerprint clearance date. District employees who separate from the LAUSD and wish to volunteer must be fingerprinted.

Volunteers need to make their appointment for fingerprinting through LAUSD approved fingerprint sites by visiting <http://www.applicantservices.com/LAUVOL> and carefully following the prompts to set up an appointment. This process was put in place

Districtwide at the start of the 2022-23 school year. A step-by-step resource is available by visiting <https://lausd.org/volunteer>. The process references a code that must be populated by volunteers to ensure Los Angeles Unified receives fingerprinting results and information.

The District will follow provisions in applicable Memoranda of Understanding (MOU) or agency agreements for internships. Additionally, the District's Human Resources policies and procedures pertaining to fingerprinting processes and fees will be followed.

VIII. HEALTH CLEARANCE REQUIREMENTS

Health clearances (Attachments H1/H2) are required for all volunteers except active LAUSD employees. Tier II and Tier III Volunteers must provide clearance of TB before starting on-campus volunteer services (Attachments I1/I2 or Attachment J). Valid forms of TB clearance include a letter from a medical professional stating that the patient does not have Tuberculosis.

TB test results for new LAUSD volunteers are valid for up to 60 days prior to starting volunteer services. TB clearance for continuing volunteers is valid for up to four years. Prospective volunteers may speak to their medical provider to determine if they are to complete a medical screening, TB test, or X-Ray. School sites are to maintain a record of volunteers who will need to provide a TB clearance when it expires during the school year. If a new clearance is not provided by the volunteer, their service is to be paused by the school site administrator until new documentation is provided.

On-Campus volunteers in schools and classrooms with preschool-age students have additional requirements regarding influenza vaccinations (Attachment K). The Early Education programs include:

- a. Universal Transitional Kindergarten
- b. Universal Transitional Kindergarten/Preschool Collaborative Classroom (UTK/PCC)
- c. Early Education Centers (EEC)
- d. California State Preschool Programs (CSPP)

IX. OTHER VOLUNTEERS

The following section describes other types of volunteers and the criteria they must adhere to when volunteering at a school or District office:

Community Members

Community members are defined as anyone who lives in the school's surrounding community. Community members must submit the appropriate application based on the type of volunteerism they will provide, and electronically sign the LAUSD Volunteer Commitment Form and Liability Waiver. Individuals who want to offer their services at no-cost to a school site through a third-party organization are to establish a no-cost MOU with Los Angeles Unified.

Extended Family Members

Extended family members who are not a child's legal guardian, including grandparents, uncles, aunts, cousins, and siblings, must submit the application as community, sign and submit the electronic or paper LAUSD Volunteer Commitment Form and Liability Waiver.

LAUSD High School Students

LAUSD high school students currently enrolled in 10th through 12th grade may volunteer with permission of their parent/guardian and the school administrator or designee (Attachment L). The LAUSD Student Volunteer Permission Form must be signed by the student and the parent/guardian and submitted to the school administrator.

The student must also sign the paper LAUSD Volunteer Commitment Form and submit it to the school administrator. The school must ensure that the volunteer forms containing student information are kept in the school's main office in a secure, locked location for five years.

High School students not enrolled in a LAUSD High School are not permitted to volunteer in LAUSD schools through this program.

LAUSD Active Employees

LAUSD employees who volunteer must complete the online Volunteer Management System application. The District requires employees to submit fingerprint and TB clearances before the hire

date to meet the health and safety requirements. Employees may show proof of TB clearance by logging into the LAUSD Employee Self Service, <https://ess.lausd.net>, and selecting "My TB Compliance." Employees must also provide their employee ID number by typing the information in the application in addition to providing their hiring start date at Los Angeles Unified.

One Time Event Volunteer, Third-Party Philanthropic Project, And School Speakers

School sites and third-party organizations can host a service project for one activity lasting for a period of less than three days, which may involve tasks such as campus beautification and gardening, movie screenings, and public speaker related volunteerism. District programs such as CTE Link Learning and activities such as Read Across America may coordinate for classroom presenters to be speakers for a day through this process. To participate, schools and District offices need to provide the organization and person(s) with the "One Time Event Volunteer, Third-Party Philanthropic Project, And School Speakers" (Attachment M). The volunteers must complete all information on the Volunteer Commitment Form, including a COVID-19 liability waiver. Each volunteer must also have a Megan's Law clearance that is verified by the school site administration. This form may not be used for field trip related volunteerism.

Third-party organizations and school sites planning to offer campus beautification projects may contact the Facilities Services Division at 213-241-4811 to learn procedures in place to support these types of in-kind projects. They may organize their volunteers to support the project by using Attachment M as referenced above.

If the volunteer event using the One Time Event Volunteer, Third-Party Philanthropic Project, And School Speakers process will include media-related recording, filming, and communications please refer to the Facilities Services Division for guidance <https://www.lausd.org/Page/18956>.

Specialized District Initiatives, Including Tutoring

Specialized programs that recruit volunteers from the broader community will be required to fulfill Tier III requirements.

College and University Interns Volunteering for Service Hour Completion

Candidates completing the School Mental Health (SMH) and Pupil Services and Attendance (PSA) intern program are the only credential seeking candidates who can complete hours through the school Volunteer Management System through the first day of instruction of the 2024-25 school year. They are to select the “Other type of volunteer” from the volunteer categories included in the application and must also click on “an intern.”

University students aged 18 or older and who are not serving as part of credentialing requirements are welcome to apply as Tier II community members.

FINGERPRINT REQUIREMENTS

Federal Bureau of Investigation (FBI) and
Department of Justice (DOJ) Fingerprinting Clearance

Volunteer applicants need to be fingerprinted only once during their volunteer services. However, if the volunteer ceases to volunteer, a new fingerprint clearance is required. District-certificated and classified employees who separate from the LAUSD and wish to volunteer must be fingerprinted. LAUSD adheres to the California State statutes pertaining to supervised volunteerism in public schools. Parents and community volunteers are fingerprinted at no cost.

At any time, the administrator or administrative designee may require all volunteers, except current District employees, to arrange for fingerprint clearance if deemed necessary.

Fingerprint clearance by the FBI and DOJ is required for Tier III Volunteers (Attachments O1/O2).

Fingerprinting must be conducted through a LAUSD-approved location to ensure the District is notified if a volunteer has been arrested during their volunteer service.

Scheduling Fingerprint Appointments

Volunteers may schedule their own Live Scan appointments through an LAUSD-approved third party site by following the steps below:

- Step 1:** Visit www.applicantservices.com/LAUVOL.
- Step 2:** **Complete** the required fields, clicking "Next" to move to the next page. The first five digits of the AppID are required to complete the application. Note that many of the fields are prepopulated. There should be no fees associated with fingerprinting using this process, so double-check that all steps have been followed closely.
- Step 3:** **Type** in the zip code or address of the area where you would like to fingerprint when you get to the section which asks for your desired fingerprint location. Note their operation hours, required documents, and health/safety precautions.
- Step 4:** **Review** the application and print out the QR Code. To avoid charges, bring the QR code with you on the day of your appointment.
- Step 5:** **Look** for a reminder email or text message 24 hours before your appointment from the LAUSD-approved third-party site.

REQUISITOS DE LA TOMA DE HUELLAS DACTILARES

Verificación de Antecedentes por Huellas Dactilares del
Departamento Federal de Investigación (FBI, por sus siglas en inglés) y
Departamento de Justicia (DOJ, por sus siglas en inglés)

Los solicitantes de voluntariado deberán realizar la toma de huellas dactilares solamente una vez durante su servicio como voluntarios. No obstante, si el voluntario deja de prestar su servicio como voluntario por un periodo de dos años o más, se requerirá una nueva toma de huellas dactilares. Los empleados certificados o clasificados del Distrito que hayan dejado de ser empleados de LAUSD y deseen ser voluntarios deberán realizar la toma de huellas dactilares. LAUSD se rige por las leyes del estado de California relacionadas con el voluntariado supervisado en las escuelas públicas. Los padres y voluntarios de la comunidad realizan en proceso de toma de huellas dactilares sin costo alguno.

En cualquier momento, el administrador o la persona designada administrativa puede requerir que todos los voluntarios, a excepción de empleados vigentes del Distrito, realicen el proceso de toma de huellas dactilares para verificar si es necesario.

Se requiere la verificación de las huellas dactilares a cargo del FBI y DOJ para voluntarios de Nivel III (Adjunto O1/O2).

La toma de huellas debe ser efectuada en sedes aprobada por LAUSD. El programa de toma de huellas dactilares de *Live Scan* dirigido por LAUSD notifica al Distrito si un voluntario ha sido arrestado o ha cometido un delito por cualquier motivo.

Programación de citas para huellas dactilares

Los voluntarios pueden programar sus propias citas de *Live Scan* a través de un sitio de terceros aprobado por LAUSD siguiendo los pasos a continuación:

- Paso 1:** Visitar www.applicantservices.com/LAUVOL.
- Paso 2:** Completar los espacios necesarios, haciendo clic en "Siguiendo" para pasar a la página siguiente. Los primeros cinco dígitos del AppID son necesarios para completar la solicitud. Tener en cuenta que muchos de los espacios ya están completados. No se debe cobrar ningún costo por la toma de huellas dactilares por medio de este proceso, por lo tanto, favor de verificar que se hayan seguido detenidamente todos los pasos.
- Paso 3:** Escribir el código postal o la dirección del área donde se desee realizar la toma de huella dactilar al llegar a la sección que solicita la ubicación deseada para el proceso. Tener en cuenta las horas de atención al cliente, los documentos necesarios, y las precauciones de salud/seguridad.
- Paso 4:** Revisar la solicitud e imprimir el código QR. Para evitar cargos, lleve el código QR con usted el día de su cita.
- Paso 5:** Estar pendiente de un mensaje de recordatorio por correo electrónico o texto 24 horas antes de su cita en el sitio de terceros aprobado por LAUSD.

HEALTH CLEARANCE REQUIREMENTS
(Tier II and Tier III Volunteers)

1. Tuberculosis (TB) Clearance

Volunteers must submit clearance of TB before starting volunteer service. TB clearance is valid at all LAUSD schools for up to four years if the volunteer is an approved volunteer. If the volunteer service ceases for one year, the volunteer must provide a new TB clearance within 60 days before beginning volunteer service.

All new prospective volunteers must have a TB clearance provided by a licensed healthcare provider. Volunteers must submit one of the following:

- A Tuberculosis Physician/Clinic Form (Attachment I/I2), or other physician's form, completed and signed by a qualifying healthcare provider within 60 days prior to beginning volunteer service. Only one appropriate box is to be checked by the healthcare provider.
- An Adult Tuberculosis Risk Assessment (Attachment J) administered by a health care provider verifying no TB risk factors.
- Proof of a negative Mantoux skin test or Interferon-Gamma Release Assays (IGRA) blood test and the date results were obtained.
- Results of a negative chest X-ray and the date it was read by a qualifying healthcare provider within 60 days prior to beginning volunteer service.

The prospective volunteer must submit a copy of the TB clearance documentation to the school administrator or designee.

TB clearance is valid for up to four years from the date of the physician's negative clearance. The school must enter the date on the online application each year for new volunteers. The date will prepopulate in the Volunteer Management System for returning volunteers.

Active LAUSD employees with current TB results on file may access their TB clearance information using the Employee Self-Service tool at <https://ess.lausd.net>. Active LAUSD employees must submit a printout of the TB clearance information to the volunteer site. The school will enter the dates in the Volunteer Management System.

CA Education Code 49406 (m). A volunteer in a school shall also be required to have on file with the school a certificate showing that, upon initial volunteer assignment, the person submitted to a tuberculosis risk assessment and, if tuberculosis risk factors were identified, was examined, and found to be free of infectious tuberculosis. If no risk factors are identified, an examination is not required. At the discretion of a school district's governing board, this section shall not apply to volunteers whose functions do not require frequent or prolonged contact with pupils.

CA Health and Safety Code 121545 indicates the following:

- a) A volunteer in a school subject to this chapter shall also be required to have on file with the

school a certificate showing that, upon initial volunteer assignment, the person submitted to a tuberculosis risk assessment, and, if tuberculosis risk factors were identified, the person was examined and found to be free of infectious tuberculosis. If no risk factors are identified, an examination is not required. A person who is subject to the requirements of this subdivision may take an examination that complies with the requirements of Section 121530 instead of submitting to a tuberculosis risk assessment.

- b) At the discretion of the governing authority of a school subject to this chapter this section shall not apply to a volunteer whose functions do not require frequent or prolonged contact with pupils. (*Amended by Stats. 2014, Ch. 329, Sec. 4. (AB 1667) Effective January 1, 2015.*)

2. TB Record Keeping

The TB clearance form must be kept on file in the main office at the school or District office in a secure and locked location for five (5) years. For additional questions regarding TB requirements for LAUSD volunteer applicants, contact your Region Family and Community Engagement team (see page 20).

3. Prospective volunteers may be able to obtain TB screenings from:

- A private healthcare provider
- The LAUSD Wellness Centers: <http://thelatruster.org/wellness-centers/>
- The Los Angeles Department of Public Health: <http://publichealth.lacounty.gov/tb/index.htm>
- LAUSD School Enrollment and Placement and Assessment (SEPA) Center located at
1339 Angelina Street
Los Angeles, CA 90026
(213) 482-3954

4. Volunteers in Any Classrooms with Preschool Age Students

No one will be allowed to work or volunteer at a daycare center or Early Education program location if he or she has not been immunized against pertussis, measles, and influenza. Only one dose of immunization for pertussis and measles given at any prior time is required. Each employee and volunteer shall receive yearly an influenza vaccination between August 1 and December 1 of that year. The influenza vaccination is the only one that may be declined, but this must be accompanied by a declination letter (see Attachment K) written by the volunteer annually.

REQUISITOS DE SALUD PARA LA AUTORIZACIÓN
(Voluntarios de Nivel II y Nivel III)**1. Constancia de resultado negativo de Tuberculosis (TB):**

Los voluntarios deben entregar una constancia negativa de la tuberculosis antes de iniciar sus servicios como voluntario. La constancia de resultado negativo de tuberculosis es válida en todas las escuelas del LAUSD hasta cuatro años si el voluntario es un voluntario aprobado. Si el servicio voluntario cesa por un año, el voluntario debe proporcionar una nueva constancia de resultado negativo de tuberculosis dentro del marco de 60 días antes de comenzar el servicio como voluntariado.

Todos los nuevos candidatos al voluntariado deben tener una constancia de resultado negativo de tuberculosis proporcionada por un profesional de atención médica con licencia. Los voluntarios deben entregar uno de lo siguiente:

- Un Formulario de médico/clínica sobre la tuberculosis (Adjunto I1/I2), u otro formulario de un médico cumplimentado y firmado por un profesional de atención médica calificado dentro de los 60 días antes de comenzar el servicio de voluntario. El profesional de atención médica sólo debe marcar una casilla correspondiente.
- Una Evaluación de factores de riesgo de tuberculosis (Adjunto J) a cargo de un profesional de atención médica verificando la ausencia de factores de riesgo de tuberculosis.
- Constancia de examen cutáneo Mantoux negativo o una prueba de sangre de ensayo de liberación de interferón gamma (IGRA, por sus siglas en inglés o ELISPOT en español) y la fecha cuando se determinaron los resultados.
- Resultados de una radiografía de tórax negativa en que analizó el profesional de atención médica calificado dentro de los 60 días previos a comenzar el servicio de voluntario.

El voluntario candidato debe presentar una copia de la autorización por resultado negativa de tuberculosis al administrador de la escuela o a la persona designada.

La autorización de tuberculosis es válida hasta cuatro años a partir de la fecha de autorización del médico por resultado negativo. La escuela debe ingresar la fecha en la solicitud en línea cada año para voluntarios nuevos. La fecha se poblará previamente en el Sistema de Administración de Voluntarios para los voluntarios que regresan.

Los empleados activos del LAUSD con resultados de tuberculosis actuales en el archivo pueden acceder a su información de autorización de tuberculosis utilizando el sistema de Autoservicio para Empleados en <https://ess.lausd.net>. Los empleados activos del LAUSD deben enviar una copia impresa de la información de autorización de tuberculosis al plantel del voluntariado. La escuela ingresará las fechas en el Sistema de Administración de Voluntarios.

Código de Educación de Californian 49406 (m). También se requerirá que un voluntario en una escuela tenga archivado en la escuela un certificado que demuestre que, en el momento de la asignación inicial como voluntario, la persona se sometió a una evaluación de riesgo de tuberculosis y, si se identificaron factores de riesgo de tuberculosis, fue examinada y se comprobó que estaba libre de tuberculosis infecciosas. Si no se identifican factores de riesgo, no se requiere un examen. A determinación de la

junta directiva de un distrito escolar, esta sección no corresponde a voluntarios cuyas funciones no requieren contacto frecuente o prolongado con los estudiantes.

El Código 121545 de California para la Salubridad y Seguridad enumera lo siguiente:

(a) También se requerirá que un voluntario escolar, sujeto a este capítulo, tenga archivado en la escuela un certificado que muestre que, al inicio de su asignación como voluntario, dicha persona entregó una evaluación de factores de riesgo de tuberculosis y, si se identificaron factores de riesgo de tuberculosis, la persona se hizo un examen y se concluyó que estaba libre de tuberculosis infecciosas. Si no se identifican factores de riesgo, no se requiere un examen. Una persona sujeta a los requisitos de esta subdivisión puede realizarse un examen médico que cumpla con los requisitos de la sección 121530, en vez de entregar una evaluación de factores de riesgo de tuberculosis.

(b) A voluntad de la autoridad directiva de una escuela sujeta a este capítulo, esta sección no corresponde a voluntarios cuyas funciones no requieren contacto frecuente y prolongado con los estudiantes. *(Modificado por Stats. 2014, capítulo 329, sección 4. (AB 1667) vigente a partir del 1 de enero de 2015.)*

2. Registro de constancias de la tuberculosis

La constancia de resultado negativo de tuberculosis debe guardarse en el archivo en la oficina principal de la escuela o la oficina del distrito en un lugar seguro y bajo llave durante cinco (5) años. Para preguntas adicionales con respecto a los requisitos de constancias de tuberculosis para los solicitantes de voluntariado en LAUSD, comunicarse con su Equipo de Enlace Comunitario de la Región (ver la página 20).

3. Los candidatos voluntarios pueden hacerse la prueba de la tuberculosis con:

- Un profesional de atención médica privado
- Centros de Bienestar LAUSD: <http://thelatruster.org/wellness-centers/>
- El Departamento de Salud Pública en Los Ángeles: <http://publichealth.lacounty.gov/tb/index.htm>
- Centro de Inscripción, Colocación y Evaluación (SEPA) de LAUSD localizado en
1339 Angelina Street
Los Angeles, CA 90026
(213) 482-3954

4. Voluntarios en cualquier salón de clases con estudiantes de edad preescolar

No se permitirá a nadie trabajar o ser voluntario en una guardería o en un centro del programa de Educación Temprana si no ha sido vacunado/a contra la tos ferina, el sarampión y la gripe. Solamente se requiere una dosis previa de la vacuna contra la tos ferina y el sarampión. Cada empleado y voluntario deberá recibir la vacuna anual contra la gripe entre el plazo del 1 de agosto y el 1 de diciembre del año en curso. La vacunación contra la gripe es la única que puede rechazarse, pero debe ir acompañada de una carta que rechazo (ver Adjunto K) redactada anualmente por el voluntario.

Adult Tuberculosis (TB) Risk Assessment Questionnaire¹

(To satisfy California Education Code Section 49406 and Health and Safety Code Sections 121525-121555)

To be administered by a licensed health care provider (physician, physician assistant, nurse practitioner, registered nurse)

- The purpose of this tool is to identify **adults** with infectious tuberculosis (TB) to prevent them from spreading disease.
- Do not repeat testing** unless there are **new** risk factors since the last negative test.
- Do not treat for latent TB infection (LTBI) until active TB disease has been excluded:**
For individuals with signs or symptoms of TB disease or abnormal chest x-ray consistent with TB disease, evaluate for active TB disease with a chest x-ray, symptom screen, and if indicated, sputum AFB smears, cultures, and nucleic acid amplification testing.
A negative tuberculin skin test (TST) or interferon gamma release assay (IGRA) does not rule out active TB disease.

Name of Person Assessed for TB Risk Factors: _____

Assessment Date: _____ Date of Birth: _____ Employee #: _____

History of Tuberculosis Disease or Infection (Check appropriate box below)

- ☐ **Yes**
- If there is a documented history of positive TB test or TB disease, then a symptom review and chest x-ray (if none performed in the previous 6 months) should be performed at initial hire by a physician, physician assistant, or nurse practitioner. If the x-ray does not have evidence of TB, the person is no longer required to submit to a TB risk assessment or repeat chest x-rays.
- ☐ **No** (Assess for Risk Factors for Tuberculosis using box below).

TB testing is recommended if any of the 3 boxes below are checked

- ☐ **One or more sign(s) or symptom(s) of TB disease**
- TB symptoms include prolonged cough, coughing up blood, fever, night sweats, weight loss, or excessive fatigue.
- ☐ **Birth, travel, or residence** in a country with an elevated TB rate for at least 1 month
- Includes countries other than the United States, Canada, Australia, New Zealand, or Western and North European countries.
 - Interferon gamma release assay (IGRA) is preferred over tuberculin skin test (TST) for non-US-born persons.
- ☐ **Close contact** to someone with infectious TB disease during lifetime.

Treat for LTBI if TB test result is positive and active TB disease is ruled out

Do Not Submit Adult Tuberculosis (TB) Risk Assessment Questionnaire to LAUSD

Cuestionario de Evaluación de Riesgos de Tuberculosis en Adultos (TB)¹

(Para cumplir con la Sección 49406 del Código de Educación de California y las Secciones 121525-121555 del Código de Salud y Seguridad)
Para ser administrado por un proveedor de atención médica autorizado (médico, asistente médico, enfermera practicante, enfermera registrada)

- El propósito de esta herramienta es identificar a los **adultos** con tuberculosis infecciosa (TB) para evitar que se propague la enfermedad.
- No repetir la prueba** a menos que Surjan **nuevos factores de riesgo desde la última prueba negativa**.
- No tartar la Infección de Tuberculosis Latente (LTBI) hasta que se excluya la enfermedad de tuberculosis activa:**
Para las personas con signos o síntomas de la enfermedad de tuberculosis o radiografías anormales de tórax compatibles con la enfermedad de tuberculosis, evaluar la enfermedad de tuberculosis activa con radiografías de tórax, exámenes de los síntomas y, si se indica, frotis de esputo para prueba de detección de bacilos, cultivos, y pruebas de amplificación de ácido nucleico.
Una Prueba Cutánea de Tuberculina (TST) negative o una Prueba de Liberación de Interferón Gamma (IGRA) no descartan la enfermedad de tuberculosis activa.

Nombre de la persona evaluada para los factores de riesgo de TB: _____

Fecha de la Evaluación: _____ Fecha de Nacimiento: _____ Núm. De Empleado(a): _____

Antecedentes de enfermedad o infección por tuberculosis (marque la casilla correspondiente abajo)

- ☐ **Sí**
- Si hay un historial documentado de prueba de tuberculosis (TB) positiva o enfermedad de tuberculosis, entonces para la contratación inicial un médico, asistente médico, o enfermera practicante deberá hacer una revisión de los síntomas y una radiografía de tórax (si no se obtuvieron durante los 6 meses anteriores). Si la radiografía no muestra evidencia de tuberculosis, la persona ya no está obligada a someterse a una evaluación del riesgo de TB o a repetir radiografías de tórax.
- ☐ **No** (Evaluar los factores de riesgo para la tuberculosis utilizando el recuadro a continuación).

Se recomienda realizar pruebas de TB si se marca cualquiera de las 3 casillas a continuación

- ☐ **Uno o más signos o síntomas de la enfermedad de tuberculosis**
- Los síntomas de la tuberculosis incluyen tos prolongada, tos con sangre, fiebre, sudores nocturnos, pérdida de peso, o cansancio excesivo.
- ☐ **Nacimiento, viaje o residencia**, durante al menos 1 mes, en un país con una tasa elevada de tuberculosis
- Incluye países que no sean Estados Unidos, Canadá, Australia, Nueva Zelando o países de Europa Occidental y del Norte.
 - La Prueba de Liberación de Interferón Gamma (IGRA) se prefiere sobre la Prueba Cutánea de Tuberculina (TST) para personas no nacidas en Los Estados Unidos.
- ☐ **Contacto cercano** con alguien con la enfermedad infecciosa de tuberculosis durante toda la vida.

Tratamiento de la Infección de Tuberculosis Latente (LTBI) si el resultado de la prueba de tuberculosis es positivo y se descarta la enfermedad de tuberculosis activa

No enviar el Cuestionario de Evaluación de Riesgo de Tuberculosis en Adultos (TB) al LAUSD

Influenza Vaccine Declination

Senate Bill (SB) 792

Commencing September 1, 2016, SB 792 would prohibit a person from being employed or volunteering at a day care center if he or she has not been immunized against influenza, pertussis, and measles. Each employee and volunteer shall receive an influenza vaccination between August 1 and December 1 of each year. *A person is exempt from the requirements of this section only under any of the following circumstances: The person submits a written declaration that he or she has declined the influenza vaccination. This exemption applies only to the influenza vaccine.*

I acknowledge that I am aware of the following facts:

- ✓ Influenza is a serious respiratory disease that kills thousands of people in the United States each year.
- ✓ Influenza vaccination is recommended for me and all other healthcare workers to protect this facility's patients from influenza, its complications, and death.
- ✓ If I contract influenza, I can shed the virus for 24 hours before influenza symptoms appear. My shedding the virus can spread influenza to patients in this facility.
- ✓ If I become infected with influenza, even if my symptoms are mild or non-existent, I can spread it to others and they can become seriously ill.
- ✓ I understand that the strains of virus that cause influenza infection change almost every year and, even if they don't change, my immunity declines overtime. This is why vaccination against influenza is recommended each year.
- ✓ I understand that I cannot get influenza from the influenza vaccine.
- ✓ The consequences of my refusing to be vaccinated could have life-threatening consequences to my health and the health of those with whom I have contact, including:
 - my coworkers
 - my family
 - my community

Despite these facts, I am choosing to decline the influenza vaccination right now for the following reasons:

I understand that I can change my mind at any time and accept the influenza vaccination, if vaccine is still available.

I have read and fully understand the information on this declination form.
