

The Newsela SEL Collection

Help teachers of all grades integrate social-emotional learning (SEL) into core instruction. Relatable, accessible content and classroom activities put students in the right mindset to learn while reinforcing the disciplinary skills they need. Available as an add-on to Newsela ELA, Newsela Social Studies, and Newsela Science.

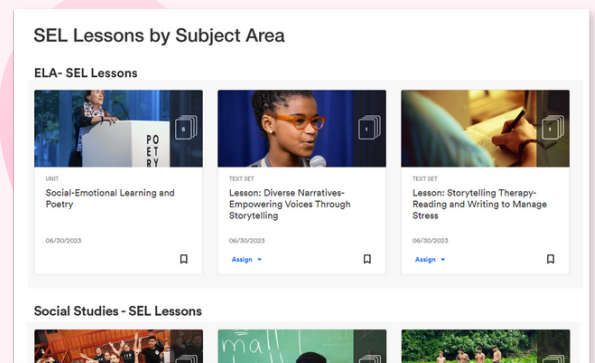

Build students' SEL competencies with authentic content

- Content is organized by subject, topic, month, and **CASEL competency**, like self-management and responsible decision-making.
- Unit guides** paired with **flexible Formative activities** give teachers tools to have students build each SEL competency.
- Lessons supports** reinforce the skills students need to be successful in and out of the classroom, like setting goals and having a growth mindset.

Integrate SEL with core instruction

- Embedded SEL instructional supports** give teachers easy-to-implement ideas that fit their instructional goals.
- Reading comprehension quizzes** and **customizable writing prompts** help teachers integrate literacy and SEL.
- Shareable annotations** help teachers scaffold texts and start a dialogue with students.

Foster more inclusive, affirming classrooms

- Content for all grade bands** provides students with background knowledge and shared vocabulary.
- Resources are aligned to domains focused on equity: **Identity, Diversity, Justice, and Action**.
- Relatable and relevant content at **five different reading levels** helps students access all SEL competencies.
