 October 20–22, 2025

I'm inclusive

I'm informed

I'm engaged

I'm balanced

I'm alert

Students, staff, parents, and families of Obama Global Preparation Academy are invited to launch Los Angeles Unified's Digital Citizenship Week. These kick-off events will empower the school community to use technology responsibly, build healthy habits, and thrive in a connected world.

### Monday, October 20

#### Digital Citizenship Student Challenge Kick-off

- All students complete the mandatory Digital Citizenship lesson and Responsible Use Policy (RUP).
- Launch of the Digital Citizenship Student Challenge, encouraging students to create video and multimedia projects demonstrating their digital citizenship skills.

### Tuesday, October 21

#### Professional Development: DigCit in the Age of AI, Screen Value, and Purposeful Use of Technology

- Teachers and staff engage in professional learning focused on Digital Citizenship, AI literacy, and balancing screen time with purposeful use.
- Practical strategies and activities from the Digital Literacy & Well-Being Curriculum will be shared.

### Wednesday, October 22

#### Parent & Family Workshops

In-person and virtual workshops to help parents explore the Screen Value and Digital Balance Toolkit.
