HOW TO ACCESS CLASSVR

CLASSVR IS AN EDUCATIONAL TOOL THAT ALLOWS STUDENTS AND EDUCATORS TO EXPERIENCE IMMERSIVE, HANDS-ON LEARNING THROUGH VIRTUAL REALITY.

FOLLOW THE STEPS BELOW TO ACCESS CLASSVR!
STARTING WITH ACCEPTING YOUR EMAIL INVITATION

Accept Email Invitation

1. Open your email inbox:
   - Look for an email invitation from ClassVR
2. Open the invitation email:
   - The subject line will typically read something like "You've been invited to join ClassVR."
3. Click on the invitation link:
   - Inside the email, you'll see a link prompting you to accept the invitation. Click on the link to proceed.
4. Log onto your account:
   - You will be directed to the ClassVR sign in page.
   - **SIGN IN USING GOOGLE, AND USE YOUR LAUSD SINGLE SIGN-ON.**

Log Into ClassVR

1. Go to the ClassVR login page:
   a. Visit https://www.classvr.com.
2. Enter your login credentials:
   a. Sign in using your Google account and LAUSD username and password.
1. Access the ClassVR dashboard:
   a. Once logged in, you will be directed to the main dashboard where you can explore content and manage the VR experiences for your students.

Connect Wifi

1. Go to the ClassVR login page:
   a. Visit https://www.classvr.com.
2. Select setting's located on the top right side of the screen
3. Under Network
   - Click **Connect Device**
   - Click **quickstart page**
     - Network Type: Select **WPA-EAP-PEAP**
     - SSID: **LAUSD**
     - Username and Password: USE **School Shared Wifi Credentials**
   - **Use the QR code generated to connect the heasets**

Connect ClassVR Headsets

1. Ensure your VR headsets are charged and connected to Wi-Fi.
2. Launch the ClassVR app on the headsets:
   - Students will use the headsets to view the immersive content.
3. Use the dashboard to push content:
   - From your dashboard, you can select and push VR experiences directly to the headsets.
4. Monitor student progress:
   - Use the ClassVR dashboard to monitor students' engagement and progress with the VR lessons in real-time.

Explore ClassVR Content

1. Browse available content:
   - On the dashboard, you can explore pre-made VR lessons or create your own by uploading content.
2. Organize lessons:
   - Add your chosen lessons to playlists for seamless transitions during class.
3. Manage class sessions:
   - Use the tools on the dashboard to manage, start, pause, or end class sessions while using the VR headsets.

TROUBLESHOOTING TIP: Console 'ACTIVE' Status

If you are using **Google Chrome** and your connected headsets are not showing as *'ACTIVE',* please switch to an alternate browser like **Safari**.

Support and Resources

- Office Hours: Thursday 3:30 p.m.-4:30 p.m. Zoom: https://zoom.us/j/99790888979
- Contact your school's IT department for assistance with technical issues.
- If you experience any problems during the setup of your ClassVR headsets, please contact la.support@classvr.com and a member of our support team will be in touch. Alternatively, please call **+1 (888) 503-0553.**
