

LEVEL UP LOS ANGELES

Academic Esports Competition

SEASON 4

Ready to build, compete, and make a difference? Level Up Los Angeles Season 4 invites LAUSD students to jump into Minecraft Education, design a more sustainable future, and battle it out in the academic esports arena.

LEVEL 1

School of the Future
[DUE MARCH 2, 2026]

- Design a School of the Future in Minecraft Education — a greener, smarter place where students learn together and care for their community and the planet. Choose one Sustainable Development Goal and submit a 3-minute video showcasing your solution!

LEVEL 2

Region Rumble
[CHAMPIONSHIP APRIL 25, 2026]

- Top teams advance to the Region Rumble to compete for a spot as Region Finalists. Elementary and High School teams compete virtually, while Middle School teams compete in person at the District Championship.
