

**K-12 Teachers, get ready to celebrate  
Computer Science Education Week  
with hands-on fun and innovation!**

# **Districtwide Hour of AI**

**December 8-12, 2025**

Dedicate one-hour during the week

**Location:** Your classroom

Participate in the Districtwide Hour of AI movement and empower students to explore how artificial intelligence works by engaging your class in one of the ready-to-teach grade level lessons from **Code.org** today!

Visit [edtech.lausd.org/csedweek](https://edtech.lausd.org/csedweek) to select a lesson to deliver to your students. Be sure to fill out [this form](#) (or visit [bit.ly/edtechhourofai](https://bit.ly/edtechhourofai)) to share what celebrating Hour of AI looks like in your school community!
