WEED OF THE MONTH

These books should be weeded by the end of the month, after which the titles will be deleted from Destiny.

Did you forget to weed last months books? In REPORTS, run a Weeding Log report so you can discard the books.

Discard books based on condition, stereotypes/misleading information, dated or unappealing illustrations, or lack of use. Don't have the books below? Check to see if you have similar aged titles.

November Weeds

- *Arrow to the Sun*- G. McDermott
- *The Prince and Princess : a Bohemian fairy tale*- M. Mayer
- *The Planets*- G. Gibbons
- *Journey to the planets*- P. Lauber
- *Voyager to the planets*- N. Apfel
- *Computers all around us* and the rest of the series called **Log on to Computers**- J. Drake
