

**Board of Education Report**

**File #:** Rep-267-21/22, **Version:** 1

**Update the School Upgrade Program to Align the Investments Targeted for Upgrading High School Competitive Athletic Facilities with the New Board of Education Districts for the Los Angeles Unified School District**

**April 5, 2022**

**Facilities Services Division**

**Action Proposed:**

Approve an update to the School Upgrade Program (SUP) to allocate additional funds directed towards high school competitive athletic facilities upgrades to align with the Los Angeles City Council adopted new Board of Education (Board) Districts (Boundaries) for the Los Angeles Unified School District (Redistricting). The update will increase high school competitive athletic upgrade funding allocations proportionately for Board Districts that gained high school enrollment due to the redistricting. Funding will not be decreased for Board Districts with reduced high school enrollment. The increased funding allocations are as follows:

- Board District 4 will be increased by \$2,155,047 revising the allocation from \$16,290,100 to \$18,445,147.
- Board District 5 will be increased by \$4,551,648 revising the allocation from \$31,128,575 to \$35,680,223.

Overview of funding allocation to upgrade high school competitive athletic facilities in each Board District:

<b>Board District</b>	<b>Revised Funding Allocation</b>
1	\$18,175,313
2	\$33,646,281
3	\$22,641,932
4	\$18,445,147*
5	\$35,680,223*
6	\$28,927,635
7	\$29,190,164
<b>Total</b>	<b>\$186,706,695</b>

\*Indicates revised funding allocation as a result of this Board action.

**Background:**

On August 24, 2021, the Board adopted an update to the SUP to integrate Measure RR funding and priorities into its operational framework (Board Report No. 027-21/22). The updated SUP framework and the Measure RR Implementation Plan helps guide the identification of sites and the development of project proposals that reflect the goals of and priorities for Measure RR.

Pursuant to the Board Resolution, Modernization, Upgrade and Development of High School Athletic Facilities (Res-030-20/21), adopted on June 22, 2021, funding has been prioritized within the SUP to modernize, upgrade, or develop new competitive high school athletic facilities in each Board District. Projects to upgrade high school competitive athletic facilities will be undertaken within each Board District with funding earmarked for school upgrades and reconfigurations to support wellness, health, athletics, learning, and efficiency and more specifically upgrading athletic facilities. Funds are allocated for each Board District based on each Board District's proportionate share of high school enrollment and number of sports teams. Proposed projects are identified by Board offices in consultation with stakeholders and developed by Facilities staff.

On December 1, 2021, the Los Angeles City Council adopted an ordinance to establish new Board District boundaries for the Los Angeles Unified School District (District). The new District boundaries resulted in 138 District owned school sites changing jurisdictions. To ensure Board Districts that gained high school enrollment and additional sports teams were allocated fair and equitable funds to support their schools, the proportionate share of the funds targeted for competitive high school athletic facilities upgrades have been recalculated reflecting the redistricting of schools.

**Expected Outcomes:**

Approval of the update to align SUP funding targeted for competitive high school athletic facilities upgrades with the redistricting of schools. Approval will enable staff to develop future projects to upgrade or provide new high school athletic facilities. As proposed projects are developed, they will be submitted to the Bond Citizens' Oversight Committee (BOC) for its consideration and the Board for its approval.

**Board Options and Consequences:**

The Board may approve the proposed update to the SUP, which will allocate additional funds to Board Districts that gained high school enrollment and sports teams as a result of redistricting to upgrade high school competitive athletic facilities.

If the Board does not approve the proposed update, Board Districts that gained high schools with the redistricting will not have a fair and equitable allocation of funds targeted to upgrade competitive high school athletic facilities.

**Policy Implications:**

The proposed action is consistent with the District's long-term goal to address unmet school facilities needs and significantly improve the conditions of aging and deteriorating school facilities as described in the District's local bond measures K, R, Y, Q, and RR.

**Budget Impact:**

This action will add \$6,706,695 to the funds in the SUP earmarked for school upgrades and reconfigurations to support wellness, health, athletics, learning, and efficiency, and more specifically for the amounts targeting upgrades to athletic facilities. This funding will be provided from the Bond Program Reserve.

**Student Impact:**

The action will allow for high school students in Board Districts with increased high school attendance areas to have a fair and equitable distribution of Bond funds for upgrades to competitive high school athletic facilities. Athletic facility improvements provide the opportunity for students to engage in athletic and other events on the upgraded and expanded facilities.

**Equity Impact:**

Not applicable.

**Issues and Analysis:**

To ensure Board Districts that gained high school enrollment were allocated fair and equitable funds to support their schools, the proportionate share of the funds targeted for competitive high school athletic facilities upgrades have been recalculated reflecting the redistricting of schools. The enrollment was updated to reflect the 2021-2022 school year with net increases in high school enrollment in Board District 4 by 842 and in Board District 5 by 3,341. The other five Board Districts had either no change or a decrease in high school enrollment due to redistricting. The number of sports teams reflects the quantity of teams at each high school prior to the COVID-19 pandemic which reflects the expected number of teams resuming full time in the upcoming school years. The number of sports teams were calculated based on redistricting and the total number of teams per new Board District.

The calculated proportionate share of targeted funds increases the allocation for Board Districts 4 and 5 only. Board Districts with decreased enrollment and sports teams due to redistricting will retain the previously allocated funds targeted for competitive high school athletics upgrades to ensure their ongoing planning and outreach with stakeholders will not be impacted. Board District 2 funds targeted for competitive high school athletics upgrades have been entirely allocated to Board Approved projects.

This update to the SUP will allow staff to bring future bond projects to the BOC for consideration and the Board for action that align with the proposed Measure RR Implementation Plan and further the intent of the SUP.
