TREE WELL SOIL REMOVAL ACTIVITIES, ROWAN AVENUE ELEMENTARY
SCHOOL AND LORENA STREET ELEMENTARY SCHOOL, LOS ANGELES UNIFIED
SCHOOL DISTRICT

Dear Mr. Laughton,

The Department of Toxic Substance Control (DTSC) has received and reviewed AECOMs August 30, 2016 certification letter (Letter) to the Los Angeles Unified School District (LAUSD) Office of Environmental Health and Safety. The Letter certifies that AECOM performed the tree well soil removal activities at Rowan Avenue Elementary School and Lorena Street Elementary School in accordance with the DTSC approved work plan dated August 24, 2016.

Based on our review, DTSC finds the Letter acceptable. We understand that a Completion Letter report describing the removal activities in detail will be prepared for our review in the near future.

If you have any questions regarding this letter, please contact me at (916) 255-3630 or at Peter.Ruttan@dtsc.ca.gov.

Sincerely,

Peter Ruttan
Project Manager
Exide Cleanup Project
