— NOTICE —

SOIL TESTING ACTIVITY

at Crenshaw High School

Project Information:

The Los Angeles Unified School District (LAUSD) is planning the following facilities improvements at Crenshaw High School:

- Replace the Multi-Purpose Room, Music, Student Store and Food Service buildings with a single Food Services, Classrooms, and Performing Arts Center building designed to meet current seismic/safety codes and performance standards
- Site-wide improvements in support of Crenshaw High School's Magnet programs, including interior and exterior improvements
- New and upgraded heating, ventilation and air conditioning (HVAC) equipment and upgraded central energy management system
- Accessibility upgrades in compliance with ADA (Americans with Disabilities Act) standards

In order to begin the facilities improvements planned for your school, the Los Angeles Unified School District (LAUSD) will be testing the soil on the Crenshaw High School campus.

The Office of Environmental Health and Safety (OEHS) is responsible for conducting the testing, which will include digging approximately 50 holes, taking samples and filling them back up.

This activity may cause some noise and dust.

Soil testing will take place this summer: between June 4, 2015 and August 17, 2015, during the hours of 8:00 a.m. and 5:00 p.m.

Thank you in advance for your patience and understanding during this process.

— AVISO —

ESTUDIO DEL SUBSUELO

en Crenshaw High School

Información sobre el proyecto:

El Distrito Escolar Unificado de Los Ángeles (LAUSD, por sus siglas en inglés) está planeando las siguientes mejoras a las instalaciones en la Preparatoria Crenshaw:

- Sustituir el Salón Multiusos, los edificios de Música, Tiendas Estudiantil y Servicio de Alimentos con un solo edificio que albergara a los Servicios de Alimentos, Aulas, y un Centro de Artes Escénicas que será diseñado para cumplir con los actuales códigos de seguridad y estándares de rendimiento
- Mejoras para apoyar los programas Magnet de la Preparatoria Crenshaw, incluyendo mejoras a los interiores y exteriores
- Nuevo y moderno sistema de Calefacción, ventilación y aire acondicionado (HVAC, por sus siglas en inglés) y sistema central actualizado para la administración de energía
- Mejoras de Accesibilidad en cumplimiento con la Ley sobre Personas con Discapacidades (ADA, por sus siglas en inglés)

Antes de iniciar las mejoras planeadas para su escuela, el Distrito Escolar Unificado de Los Ángeles (LAUSD, por sus siglas en inglés) llevará a cabo un estudio del subsuelo en el plantel de la Preparatoria Crenshaw.

La Oficina de Salud y Seguridad Medioambiental (OEHS, por sus siglas en Inglés) está encargada de llevar a cabo estas pruebas que incluirán excavar aproximadamente unos 50 hoyos, tomar muestras y rellenándolos de nuevo.

Esta actividad puede causar algo de ruido y polvo.

La toma de nuestras de tierra se llevará a cabo este verano: entre el 4 de junio de 2015 y el 17 de agosto de 2015, durante las horas de 8:00 a.m. y las 5:00 p.m.

Agradecemos de antemano su paciencia y comprensión durante este proceso.
