

## 6. Mitigation, Monitoring, and Reporting Program

---

State CEQA Guidelines, Section 15074(d), requires that a lead or responsible agency adopt a mitigation monitoring plan when approving or carrying out a project when an IS/MND identifies changes the lead agency has required in the project or made a condition of approval to mitigate or avoid significant environmental effects. As lead agency for the Project, LAUSD is responsible for adoption and implementation of the mitigation monitoring and reporting program (MMRP).

The MMRP is presented in Table 23 below and will be in place and effective throughout all phases of the Project. LAUSD will be responsible for administering the MMRP and ensuring that all parties comply with its provisions. LAUSD may delegate monitoring activities to staff, consultants, or contractors. LAUSD will also ensure that monitoring is documented through periodic reports and that deficiencies are promptly corrected. The designated environmental monitor will track and document compliance with required measures, note any problems that may result, and take appropriate action to rectify problems.

Mitigation Measure	Mitigation Monitoring			Verification of Compliance		
	Implementing Phase	Monitoring Phase	Enforcing Agency	Initial	Date	Comments
<b>MM-TCR-1:</b> In the event that Native American cultural resources are discovered during Project activities, all work in the immediate vicinity of the find (within a 60-foot buffer) shall cease and a qualified archaeologist meeting Secretary of Interior standards shall assess the find. The affiliated Native American Tribal representative shall be contacted to consult if any such find occurs. The archaeologist shall complete all relevant California State Department of Parks and Recreation (DPR) 523 Series forms to document the find and submit this documentation to LAUSD, the affiliated Native American Tribal representative, and consulting Tribes. If the Native American cultural resource is determined to be significant, as defined by the affiliated Native American Tribal representative, a	Project Construction	Project Construction	LAUSD
