

#### AMENDMENT TO ITEMS 21 AND 22:

Amendment of the WISH admissions preference for students with low incidence disabilities from denial to approval. Charter school is required to implement the admissions preference in compliance with all applicable legal, District requirements. Any failure to meet all applicable requirements would be grounds for the District to invoke and exercise its oversight obligations and take any and all appropriate actions to address the improper implementation of the admissions preference. Such actions may include discontinuance of the preference.
