Our Vision

Since opening in 1997, the Watts Learning Center (WLC) has steadily pursued its mission to provide a [World-Class Education](#) for inner-city students in an elementary school that also serves as a Learning Center for the community. Our aim is to create a culture of learning; where all stakeholders— students, parents, guardians, faculty, and staff—play a role. The goal is to [endow the community with self- assurance and academic achievement](#) as a foundation for success in high school, college, and life.

[The purpose of the Watts Learning Center is to improve the quality of life in the community with a sense of urgency!](#)
