### **Board Member Resolution for Action**

8. Dr. Rivas - Proclaiming June 27, 2026, as “Play Day” and Promoting Play Equity (Res-068-25/26) (Waiver of Board Rule 72)

Whereas, Sport, play, and movement are essential for positive youth development, improving mental and physical health, increasing cognitive performance, building self-esteem, cultivating leadership skills, and contributing to higher academic and career achievement;

Whereas, Access to sport, play, and movement is not equitable, and children and youth across California continue to face barriers to participation due to factors including the high cost of youth sports, limited access to facilities and safe spaces, transportation challenges, and exclusion based on disability;

Whereas, According to the 2026 California Play Equity Report, commissioned by the LA84 Foundation, 76 percent of youth are not meeting the recommendations of the Centers for Disease Control and Prevention and the U.S. Department of Health and Human Services for daily physical activity, with the lowest rates of participation among girls, Latino youth, and youth with disabilities;

Whereas, These disparities create a “play equity gap,” depriving many young people of the physical, social, emotional, and academic benefits associated with regular participation in sport, play, and movement;

Whereas, Achieving play equity requires removing barriers and ensuring all children have access to sports, play, and movement opportunities regardless of race, ethnicity, gender, disability, zip code, sexual orientation, or socioeconomic status, so that all youth can develop the skills and experiences necessary for lifelong well-being;

Whereas, The LA84 Foundation and the Play Equity Fund have issued a national call to action through Play Day on June 27, 2026, to celebrate and elevate the lifelong benefits of sport, play, and movement for children and families in the communities where they live;

Whereas, Play Day 2026 will feature a community Block Party at the LA84 Foundation headquarters in West Adams, including music, art, sports, food, and family-friendly activities that celebrate the spirit of the 1984 Summer Olympic Games and promote community connection through play;

Whereas, In addition to the flagship event in Los Angeles, more than 100 Play Day satellite sites across the nation will provide opportunities for communities to come together through sport, play, and movement;

Whereas, Play Day promotes the shared goal of supporting healthy, thriving children and demonstrates the power of sport and play to strengthen communities, foster belonging, and create more promising futures for young people; and

Whereas, The Los Angeles Unified School District's Strategic Plan prioritizes joyful, safe, healthy, and engaging learning environments and recognizes that physical activity, recreation, and wellness are essential components of student success and whole-child development; now, therefore, be it

Resolved, That the Governing Board of the Los Angeles Unified School District reaffirms its commitment to closing the play equity gap and supporting policies, programs, and partnerships that ensure all students have equitable access to sport, play, and movement opportunities;

Resolved further, That the Board proclaims June 27, 2026, as "Play Day" throughout the Los Angeles Unified School District and encourages all students, families, educators, and staff to participate in Play Day celebrations, including the community event in West Adams and local play activities throughout the District;

Resolved further, That the Board recognizes the importance of play as a critical component of student wellness, academic success, and social-emotional development and encourages schools to continue promoting inclusive opportunities for physical activity and recreation throughout the year;

Resolved further, That the Board directs the Superintendent to promote Play Day through District communications and, where feasible, leverage partnerships and existing summer programming opportunities to support awareness of Play Day and advance equitable access to sport, play, and movement for all students; and, be it finally

Resolved, That the Governing Board of the Los Angeles Unified School District proclaims that Play Day shall be observed annually each June, on the date designated by the LA84 Foundation and the Play Equity Fund, and reaffirms its enduring commitment to advancing play equity, fostering healthy and joyful communities, and ensuring that every child has access to the lifelong benefits of sport, play, and movement.
