Board Member Resolutions for Action

14. Mr. Schmerelson, Dr. Rivas - Suicide Awareness and Prevention Month (Res-002-24/25)
(Noticed August 13, 2024)

Whereas, Suicide is a severe public health crisis that takes an enormous toll on families, students, employees, and communities;

Whereas, In 2021, the Centers for Disease Control (CDC) and Prevention's Youth Risk Behavior Surveillance System (YRBSS) indicated that 42% of high school students in America experience persistent sadness or hopelessness every day for two straight weeks in a row with these numbers being high amongst females (57%), Hispanics (46%), multiracial (49%), and LGBTQ+ (69%);

Whereas, The same report from the CDC's Youth Risk Behavior Surveillance System indicated that 29% of high school students in America experience poor mental health, with these numbers being especially high amongst females (41%) and LGBTQ+ (52%);

Whereas, The same report from the CDC's Youth Risk Behavior Surveillance System indicated that 22% of high school students seriously considered suicide in 2021, with the highest demographic being LGBTQ+ students (45%);

Whereas, Factors such as discrimination, adverse childhood experiences, stigma, familial and community rejection, mental illness, social networks, and other factors that compromise life functioning may result in elevated suicide risk, particularly for vulnerable student populations;

Whereas, In September 2016, Governor Jerry Brown signed Assembly Bill (AB) 2246, now California Education Code 215, that took effect in 2017-18, setting a requirement for all Local Educational Agencies (LEA), including county offices of education, school districts, state special schools and charter schools that serve pupils in grades 7 to 12 to adopt a policy on pupil suicide prevention that specially addresses the needs of high-risk students;

Whereas, In July 2017, Michelle King, Superintendent of Schools, approved the implementation of the annual online Suicide Prevention and Awareness Training for all District staff;

Whereas, Despite the fact that mental illness is treatable and youth suicide is a preventable public health problem, ninety percent of deaths by suicide can be attributed to mental illness;

Whereas, Suicide rates increased by 36% between the years 2000 and 2021, responsible for being the second leading cause of death for people ages 10-14 and 20-34, according to the Centers for Disease Control (CDC);

Whereas, Suicide rates decreased slightly between 2018 and 2019, it was still the 10th leading cause of death in the United States and is the second leading cause of death among children between the ages of 10-14 and 15-24;

Whereas, The phone number of the Suicide and Crisis Hotline has changed to 988, available 24 hours a day, seven days a week;

Whereas, The focus on mental health aligns with the Los Angeles Unified School District's Strategic Plan on Pillar 1B, which focuses on student happiness at their schools, and Pillar 1C, which seeks to eliminate opportunity gaps. Furthermore, this also aligns with Pillars 2A, which establishes welcoming environments, 2B, the whole-child well-being, and 2C, strong social-emotional skills;

Whereas, Children and teens spend a significant amount of their young lives in school, and the personnel who interact with them daily are in a prime position to recognize the warning signs of suicide and make the appropriate referrals for help. School personnel are instrumental in helping students and their families by identifying students at risk and linking them to school and community mental health resources;

Whereas, An analysis of i-STAR incidents reported between 2016 and 2020 found that middle school rates of suicidal behavior and high schools reported the highest rates of substance-related incidents;

Whereas, Suicide prevention involves the collective efforts of families and caregivers, the school community, mental health practitioners, local community organizations, and related professionals to reduce the incidence of suicide through education, awareness, and services;

Whereas, Suicide prevention involves inclusive school-wide activities and programs that enhance a sense of belonging, contribute to a safe and nurturing environment, and strengthen protective factors that reduce the risk for students; and

Whereas, National Suicide Prevention Week will be observed from September 8-14, 2024, to help call public attention to the increasing incidence of suicide and to inform about suicide prevention and warning signs of suicide; now, therefore, be it

Resolved, That the Governing Board of the Los Angeles Unified School District hereby declares September Suicide Prevention Awareness Month in the Los Angeles Unified School District;

Whereas, Community Schools require expertise and assistance to develop a strong instructional and performance assessment program that is based on the science of learning and development-which finds that students learn best when curriculum, teaching, and assessment strategies are built on students' prior knowledge and experiences, and focus on relevant and engaging learning tasks;

Whereas, Research (Cotton, 2003; Hallinger, 2003; Leithwood, Louis, Anderson & Wahlstrom, 2004, Robinson 2007) consistently shows that the principal's instructional leadership role has a strong influence on learner performance and asserts that learner performance is likely to be greater where there is direct principal leadership involvement in planning and professional development;

Whereas, The UCLA Center for Transformation of Schools has identified obstacles to retaining Black, Indigenous, and People of Color (BIPOC) teachers and recommends that administrators and schools make a strong, lasting commitment to “the ideals and policies that best support students in cultivating critical awareness” and that “the use of standardized tests should be dramatically reduced and supplemented with more authentic and relevant performance assessment”;

Whereas, Performance assessment aligns with community-based learning because it enables students to demonstrate their learning in authentic ways and apply their knowledge and skills to new contexts by creating products, presentations and/or demonstrations that reflect understanding and mastery; and

Whereas, Hiring Community School Lead Teachers who rely on performance assessment versus student preparation for standardized testing will allow Community Schools to better support all five pillars of LAUSD's 2022-2026 Strategic Plan (Academic Excellence, Joy and Wellness, Engagement and Collaboration, Operational Effectiveness, and Investing in Staff); now, therefore, be it

well-being;

Resolved further, That STMLI schools will be authorized to hire a Community Schools Grant funded Community School Lead Teacher through the Community Schools Partnership Program (CCSPP), who will support the goal of “remodeling instructional program commitment”;

Resolved further, That Lead Teachers will receive professional development by Community School Coaches and UCLA Center for Community Schooling, as well as other relevant partners as appropriate including those with expertise in the support and development of school leaders;

Resolved further, That STMLI schools will demonstrate a team commitment that includes, at minimum, the principal and school staff, and will commit to participating in the Cohort for three years;

Resolved further, That STMLI schools will commit to remodeling their existing instruction program to integrate culturally relevant curriculum, community- and project-based learning, and civic engagement (e.g., through the integration of Linked Learning and/or other instructional strategies), and targeted AI integration;

Resolved further, That STMLI Principals will commit to engaging in instructional planning, observation of project- based instruction, attend and provide professional development related to community- and project-based learning, and provide sufficient resources for teachers to fully implement project-based learning;

Resolved further, That SMTLI schools will work in collaboration with the Division of Instruction to pilot innovative, authentic, rigorous and relevant assessments and, once established, will be excused from any and all standardized testing with the exception of state- and federally-mandated assessments; and, be it finally

Resolved, That District staff, UNITE-LA staff, and labor and other partners will form a team to develop the operational aspects of develop a plan for how this initiative is communicated across the systems and structures of the CSI, and create an application and rubric for approval so that this new initiative can commence in the second semester of school year 24-25.
