Board Member Resolutions for Action

18. Ms. Newbill, Dr. Rivas, Mr. Melvoin, Ms. Griego, Ms. Gonez, Ms. Ortiz Franklin, Mr. Schmerelson, Mr. Yang – Celebration of Black History Month 2026 (Res-031-25/26) (Noticed December 16, 2025)

ADOPTED BY CONSENT VOTE

Whereas, Black History Month, or National African American History Month, is an annual celebration of achievements by Black Americans and a time for recognizing the central role of African Americans in United States history;

Whereas, Black History Month 2026 is a celebration of the 100-year legacy of Dr. Carter G. Woodson, whose establishment of Negro History Week in 1926 laid the foundation for what would become Black History Month, a cornerstone of historical education and cultural reflection in the United States;

Whereas, Dr. Carter G. Woodson, a Harvard trained historian, like W.E.B. DuBois before him, believed that truth would not be denied and that reason would prevail over prejudice;

Whereas, Every United States President has officially designated the month of February as Black History Month and other countries around the world, including Canada and the United Kingdom, also devote a month to celebrating Black history;

Whereas, Established by Dr. Carter G. Woodson in 1915, the Association for the Study of African American Life and History (ASALH) strives to promote, research, preserve, interpret, and disseminate information about Black life, history, and culture to the global community.

Whereas, Black History Month 2026 marks the centennial celebration of organized efforts to recognize, preserve, and honor the history, culture, and achievements of Black Americans, reflected in the 2026 ASALH theme, “*A Century of Black History Commemorations*”;

Whereas, For a century, Black History commemorations have illuminated the resilience, innovation, leadership, and contributions of Black Americans in fields such as education, science, the arts, business, civil rights, government, technology, and public service;

Whereas, For the past century, spanning major milestones such as the Harlem Renaissance, the Civil Rights Movement, the Voting Rights Act of 1965, and continuing through the cultural, political, and educational advancements of the 21st century, Black History commemorations have played a vital role in elevating Black voices, honoring Black achievements, and deepening America’s understanding of its own history;

Whereas, The centennial theme honors the work of generations of educators, scholars, activists,

students, and community organizations who have advanced the study and preservation of Black history, ensuring that the richness of Black experiences is included in the national narrative;

Whereas, Black History Month serves as an essential opportunity to uplift stories that have historically been overlooked or underrepresented, fostering a deeper understanding of the shaping of American democracy, culture, and identity;

Whereas, Recognizing this centennial milestone reinforces the importance of continuing to expand culturally responsive education, support inclusive curriculum, and ensure that all students learn about and appreciate the diverse histories that enrich our society;

Whereas, The Los Angeles Unified School District is committed to culturally responsive, inclusive, and historically accurate instruction that reflects the diversity of its students and honors the contributions of Black Americans;

Whereas, The Black Student Achievement Plan (BSAP) provides targeted academic, social-emotional, and community support to address opportunity gaps, promote equity, and improve outcomes for Black students across the District;

Whereas, The District has strengthened its African American History and Ethnic Studies curriculum, ensuring students have access to comprehensive instruction on African civilizations, the African diaspora, the struggle for civil rights, and the ongoing pursuit of justice and empowerment for historically marginalized communities, encouraging students to think critically about social justice, civic engagement, and shared responsibility;

Whereas, Black History Month serves as a reaffirmation of the District's commitment to anti-racism, educational equity, and the creation of learning environments where every student feels seen, valued, and empowered;

Whereas, Honoring a century of Black history commemorations underscores the importance of ensuring that future generations continue to learn about the diverse, complex, and foundational contributions of Black Americans from 1926 to 2026 and beyond while recognizing the ongoing work necessary to protect civil rights, expand educational opportunity, and advance justice and equity for all students; and

Whereas, Our democracy's founding ideals were exclusionary when they were written, but Black Americans have continuously fought to make them true; now, therefore, be it

Resolved, That the Governing Board of the Los Angeles Unified School District recognizes February as National Black History Month;

Resolved further, That the Board acknowledges that all people of the United States are beneficiaries of the wealth of history given to all by Black Culture, Black Inventors, Black Artists, Black Artisans, Black Advocacy Black Leaders, Black Civic Engagement, and Black workers;

Resolved, further, That the Board commits to the inclusion of Black History into the core curriculum, including, but not limited to Ethnic Studies, African American History, and African American Literature, as well as encourages strong integration across coursework in History, English Language Arts, Science, Mathematics, and Arts so that this critical learning lives in the

minds of our students beyond the month of February;

Resolved further, That the Board direct the Superintendent to expand upon the District's existing efforts, such as the Black Student Achievement Plan, to continue to identify strategies and tactics to align resources targeted toward eliminating anti-racist educational practices and closing the gap of academic achievement outcomes for Black Students;

Resolved further, That the District will continue to address challenges unique to Black students and families and recognize the Black Lives Matter at Schools Week of Action (February 2–6, 2026). This national week of action includes a variety of activities focused on social justice in education, such as curriculum fairs, community-building events, and workshops designed to support and empower Black students, families and educators; and, be it finally

Resolved, That the Superintendent will work with educators, librarians, all the schools of the District, and our wider community to recognize and celebrate this month, and throughout the academic year, with culturally relevant and appropriate curriculum, programs, ceremonies, and activities that generate in-depth discussion of the complex factual history of the United States and the legacy of Black Americans.

19. Ms. Newbill, Mr. Schmerelson, Dr. Rivas, Mr. Melvoin, Ms. Griego, Ms. Gonez, Ms. Ortiz Franklin, Mr. Yang – Opposing the Unlawful Transfer of U.S. Department of Education Functions to Other Federal Agencies (Res-034-25/26) (Noticed December 16, 2025)

ADOPTED

Whereas, Congress established the U.S. Department of Education to ensure focused, expert, and coordinated federal support for the nation’s public schools and students, and to uphold a national commitment to equitable, high-quality education for all;

Whereas, Federal law clearly grants Congress alone the authority to alter the functions and responsibilities of the Department of Education;

Whereas, For decades the Department has played an essential role in ensuring that all students, particularly those historically underserved including students of color, students from low-income backgrounds, students with disabilities, English learners, students experiencing homelessness, students in foster care, and others receive the services, protections, and educational opportunities to which they are legally entitled;

Whereas, The current administration announced this week its intention to unlawfully transfer numerous critical functions and offices of the Department of Education to other federal agencies, actions that would create widespread confusion, undermine congressional authority, and destabilize the nation’s education system;

Whereas, Earlier this year, the illegal transfer of the Office of Career, Technical, and Adult Education to the Department of Labor (DOL) resulted in significant operational failures, including delayed guidance, disrupted training, and impeded access to funding for states and school districts demonstrating that such agencies lack the expertise, infrastructure, and capacity to administer education programs;

Whereas, Shifting additional programs to DOL, the Department of Health and Human Services, the Department of the Interior, and the Department of State would multiply bureaucratic barriers, reduce oversight, and force states, districts, families, and students to navigate unfamiliar agencies

with no experience administering K–12 or higher education programs;

Whereas, Moving core functions of the Office of Elementary and Secondary Education—including management of Title I—to DOL is especially nonsensical and would erode critical oversight of annual assessments, school accountability, literacy initiatives, family engagement programs, charter and community school support, and services for migrant and homeless students, among others;

Whereas, DOL enforcement offices such as OSHA and the Wage and Hour Division are structured for workplace regulatory compliance, not for continuous improvement or partnership with state education agencies, and are therefore wholly unsuited to performing federal education duties;

Whereas, Public polling consistently shows that nearly two-thirds of U.S. adults oppose eliminating or weakening the Department of Education, demonstrating widespread recognition of the harm such actions would cause to students and public schools;

Whereas, Anticipated future transfers of the Office for Civil Rights (OCR) and the Office of Special Education and Rehabilitative Services (OSERS) are deeply alarming, particularly given by OCR’s recent dismissal of thousands of civil rights cases, leaving millions of students without remedies to enforce their federally protected rights;

Whereas, As the nation marks the 50th anniversary of the Individuals with Disabilities Education Act (IDEA), any attempt to transfer special education oversight to HHS represents a profound step backward, threatening to re-segregate and marginalize students with disabilities and diminish decades of progress; and

Whereas, These actions will distance students from the federal protections, resources, and support systems they rely upon, and the agencies designated to assume these responsibilities lack the relationships, expertise, and staffing required to fulfill them; now, therefore, be it

Resolved, That the Los Angeles Unified School District strongly condemn and oppose the administration’s unlawful and irresponsible transfer of authority from the Department of Education to other federal agencies;

Resolved further, That the District opposes the firing of hundreds of workers within OSERS which oversees states’ compliance with IDEA;

Resolved further, That District opposes the administration’s actions towards the Department of Education’s actions towards the Office of Civil Rights, which has abandoned its mission to uphold the rights of all students, especially those who are from traditionally marginalized communities;

Resolved further, That we call upon Congress to immediately reassert its constitutional authority, halt these unprecedented and legally dubious actions, and protect the integrity and mission of the U.S. Department of Education; and, be it finally

Resolved, That the District affirms our unwavering commitment to safeguarding the rights, opportunities, and educational futures of all students, and to ensuring that federal education policy remains grounded in equity, expertise, and the rule of law.

20. Ms. Newbill, Dr. Rivas, Mr. Melvoin, Ms. Ortiz Franklin, Mr. Schmerelson, Mr. Yang – Recognizing January as Human Trafficking Awareness Month and Affirming Support for Student Safety and Prevention (Res-037-25/26) (Waiver of Board Rule 72)

ADOPTED

Whereas, Human trafficking is a serious violation of human rights and a crime that involves the exploitation of individuals through force, fraud, or coercion for labor or sexual purposes;

Whereas, The State of California consistently ranks among the states with the highest reported cases of human trafficking, including cases involving minors and youth;

Whereas, The Los Angeles Unified School District recognizes January as Human Trafficking Awareness Month to raise public awareness, promote prevention efforts, and support survivors;

Whereas, Trafficking is happening in our K-12 schools, affecting students in middle and high school, who are groomed, recruited, and exploited often without anyone noticing;

Whereas, Traffickers connect with students through apps like Snapchat, Instagram, and Tik Tok, presenting themselves as romantic interest, modeling agents, or job recruiters;

Whereas, Children and adolescents are particularly vulnerable to human trafficking due to factors such as homelessness, foster care involvement, online exploitation, social isolation, economic instability, and lack of access to trusted adults;

Whereas, Schools play a critical role in the prevention of human trafficking by providing safe learning environments, promoting student awareness, fostering healthy relationships, and connecting students and families with support services;

Whereas, Educators, counselors, administrators, and school staff are often among the first trusted adults who may observe warning signs of exploitation and are uniquely positioned to respond in a trauma-informed and supportive manner; and

Whereas, Raising awareness about human trafficking supports student well-being, aligns with social-emotional learning goals, and reinforces the District's commitment to student safety, equity, and dignity; now, therefore, be it

Resolved, That the Governing Board of the Los Angeles Unified School District affirms its commitment to protecting students from exploitation by supporting age-appropriate, trauma-informed education focused on personal safety, healthy relationships, digital citizenship, help-seeking behaviors and data collection;

Resolved further, That the District encourages professional learning opportunities for staff to recognize indicators of human trafficking and to respond appropriately in accordance with state law and mandated reporting requirements;

Resolved further, That the District encourages collaboration with families, community organizations, and public agencies to promote awareness, prevention, and access to resources for students who may be vulnerable or at risk; and, be it finally

Resolved, That the Board reaffirms its commitment to providing a safe, inclusive, and supportive

educational environment where all students are treated with dignity and empowered to seek help without fear or stigma.
