Lineage Support

Schools opened safely with mitigation measures and contingency plans fully in place.

Conducted ongoing environmental monitoring and coordinated closely with OEHS, AQMD, public health agencies, and emergency response partners.

HVAC filter replacements, air purifier deployment, and environmental monitoring provided confidence in campus readiness.

Lineage Support

Strong communication with families, school leaders, employees, and community partners helped build trust and reduce uncertainty.

Conducted principal meetings, parent webinars, town halls, and community outreach efforts to maintain transparent and timely communication.

The reopening demonstrated the District's commitment to safety, operational excellence, and uninterrupted educational services for students and families.

Breakfast in the Classroom

We are reaffirming our commitment to Breakfast in the Classroom and its role in supporting student wellness, attendance, and readiness to learn.

800, 000 breakfast meals served
