Reaching & Supporting LAUSD Families Starting at Birth

Children and Families in Early
Education Committee Meeting

June 4, 2026

Overview

Purpose

A shared vision for a districtwide family engagement infrastructure to reach and support prospective LAUSD families starting at birth:

- Build trust
- Support families with tools, resources, information
- Strengthen transitions
- Align to LAUSD Strategic Plan
- Embed family engagement
- Braid public and private funding sources

Overview

Vision

Every child born within LAUSD's boundaries enters school healthy, supported, and ready to learn—because families are engaged, informed, and connected from day one.

Areas of Exploration

Community partnerships with clinics & agencies working with young families to engage families early

Baby & Me Learning Hub Pilot in selected LAUSD Early Education Centers

Policy Collaboration
Establish workgroups to collaborate on district policy development

Trust & Cultural Responsiveness
Networking and partnering with community organizations

01.

02.

03.

04.

05.

06.

07.

Hybrid Home-Visiting Program through outreach staff, or other county home-visiting providers

Transitions into Preschool and TK
Build partnerships with families by establishing clear referral pathways that guide them from home into early learning opportunities

Sustainable Funding
Braided funding strategy that draws on federal, state, local, and philanthropic investment
