Board Member Resolutions for Action

28. Ms. Ortiz Franklin - Protecting High-Need Schools During Fiscal Instability (Res-063-25/26)
(Noticed May 21, 2026) (Version 2)

Whereas, The Los Angeles Unified School District is committed to ensuring all students graduate ready to thrive in college, career and life, which requires equity in action, including an equitable distribution of resources, stability of staffing and resources, especially in highest-need communities;

Whereas, Based on the collective advocacy of community, the Governing Board of the Los Angeles Unified School District created the Student Equity Needs Index (SENI) through the 2014 "Equity Is Justice" resolution and updated it through the 2018 "Equity Is Justice 2.0" and 2021 "Equity Is Justice 2021" resolutions to better address the academic, community, and pandemic-related concentration of need;

Whereas, In 2020, the Board established the Black Student Achievement Plan (BSAP) to address historic inequities in educational experiences and outcomes for our Black students through

targeted academic, socio-emotional and culturally responsive supports;

Whereas, In August 2021, the Board adopted the “Equity in Action” resolution to ensure equity is considered in all Board decisions and requires the annual budget process to include a comprehensive analysis of investments and publicize allocation of dollars spent equitably;

Whereas, In June 2025 the Board adopted a Fiscal Stabilization Plan to address \$1.6 billion deficit estimated for 2027-2028, cutting unspent funds carried over and reducing SENI, resulting in disproportionate reductions in budget cuts to SENI high and highest need schools;

Whereas, The Board adopted the “Budgeting based on Equity and Student Need” June 2025 resolution, requiring the District to maintain sufficient staffing at school sites, center students’ needs, prioritize equity and recognize the value of all employees through public transparency and to complete an equity impact analysis of budget reductions;

Whereas, Schools budgets are fundamentally based on student enrollment which has steadily declined for decades and is further being reduced in predominantly immigrant neighborhoods because of genuine fear of federal attacks on our immigrant communities;

Whereas, The District has achieved remarkable academic progress among all student groups during the 2024-2025 school year, demonstrating the effectiveness of equity-based investments and staffing stability; now, therefore, be it

Resolved, That the Governing Board of the Los Angeles Unified School District commits to upholding the principle of equity in school-site staffing; and, be it finally

Resolved, That the Los Angeles Unified School District shall ensure mutual consent and shall not force-place any staff at SENI high and highest need schools and BSAP Group 1 schools, to the greatest extent permissible by law.

29. Ms. Griego - Celebrating Pride 2026: A Review of LGBTQ+ Supports, Resources, and Programming for Students, Educators, and Families (Res-064-25/26) (Waiver of Board Rule 72)

Whereas, The institution of public education is intended to create safe, inclusive, and welcoming environments for all students, families, and staff, regardless of race, ethnicity, national origin, language, disability status, gender expression or identity, and sexual orientation;

Whereas, Research suggests that as many as 1 in 4 high school aged students in the United States identify as lesbian, gay, bisexual, transgender, queer, intersex, asexual, gender nonconforming, and gender fluid, (LGBTQIA+);

Whereas, Youth identifying as LGBTQIA+ are at a higher risk for experiencing homelessness, being victims of bullying, and attempting or dying by suicide, ultimately indicating that mental health struggles and rates of suicidal thoughts have trended upward among LGBTQIA+ youth in recent years;

Whereas, According to a 2020 National Black Justice Institute and Gay, Lesbian & Straight Education Network (GLSEN) report, over half of Black LGBTQIA+ students felt unsafe at school because of their sexual orientation;

Whereas, Over a third of Latine/x youth reported missing at least one day of school in the last month because they felt unsafe or uncomfortable, says a 2020 report by GLSEN, the Hispanic Federation and UnidosUS;

Whereas, A growing number of legislative bodies across the country are weaponizing public policy to advance anti-LGBTQIA+ agendas and undermine the rights, dignity, and existence of LGBTQIA+ communities, particularly targeting transgender and nonbinary youth through restrictions on gender-affirming care, limitations on bathroom access, and parental notification laws that specifically imperil and harm LGBTQIA+ youth;

Whereas, According to The Trevor Project's 2025 U.S. National Survey, approximately 90% of LGBTQIA+ young people ages 13 to 24 said recent anti-LGBTQIA+ laws, policies and debates caused them stress or anxiety;

Whereas, The student composition of the Los Angeles Unified School District is predominantly Black, Latine/x, Asian, and Indigenous, and the intersection of systemic racism, homophobia, transphobia and misogyny/misogynoir is particularly acute for vulnerable youth of color;

Whereas, Every school district must ensure all students, including LGBTQIA+ youth, have the resources they need to thrive both academically and socio-emotionally;

Whereas, The Governing Board of the Los Angeles Unified School District has passed numerous resolutions in order to highlight the contributions of the LGBTQIA+ community and ensure our schools provide safe climates for all students, regardless of gender identity, expression, and sexual orientation, including but not limited to Standing with Pride: Honoring LGBTQ+ Communities and Reaffirming LAUSD's Commitment to Safe, Inclusive Schools (Res-084-24/25), Taking PRIDE in LA Unified's LGBTQ+ Community (Res-024-22/23), All Means All: Enhancing Supports and Resources for our LGBTQ+ Students (Res-048-18/19), and Increasing Supports for LGBTQ+ Students, Their Families and Schools (Res-048-17/18);

Whereas, The District continues to take a stand in support of LGBTQIA+ youth through its engagement in year-round efforts that provide affirmative support for LGBTQIA+ students, families, staff, and the broader community, including the annual Out for Safe Schools campaign every October to promote inclusion, respect, and acceptance of LGBTQIA+ students, staff, and families;

Whereas, The Board approved \$2 million in the 2025-26 budget cycle, with approximately \$1.5 million allocated to School-Based Grants to support efforts for inclusive practices tailored to the specific needs of the school, and approximately \$0.5 designated to support professional development, onboarding materials, and resources for the current voluntary, school-based LGBTQ+ Liaisons; and

Whereas, The District has agreed to enter into a Memorandum of Understanding with the United Teachers Los Angeles (UTLA), effective through 2028, that would establish a collaborative task force to review and, provide feedback and recommendations regarding policies and systems intended to support LGBTQIA+ students and staff; now, therefore be it

Resolved, That the Los Angeles Unified School District reaffirms its commitment to ensuring that all LGBTQIA+ students and staff feel safe, heard, and respected by continuing to advocate for equity, inclusion, and protection under the law and will support LGBTQIA+ youth, families, and

communities;

Resolved further, That the Governing Board of Los Angeles Unified School District proclaims June 2026 as LGBTQIA+ Pride Month to celebrate LGBTQIA+ identities, culture, and achievements, honor the history of resistance against oppression and violence, and ensure that staff, students and families are aware of available resources to support the LGBTQIA+ community;

Resolved further, That the District shall prepare a comprehensive Board Informative in 90 days, outlining policies, initiatives, programming, budget allocations, procurement contracts, professional development opportunities, curricula, mental health and wellbeing programs and student clubs/associations as well as student, parent and community engagement initiatives/strategies aimed to affirm best practices and foster safe and inclusive school environments for LGBTQIA+ students in TK-12, families, and educators; and, be it finally,

Resolved, That, as part of the Board Informative, the District shall provide an update on the implementation plan, metrics, and accountability framework used to assess implementation progress, outcomes, and areas for continued improvement related to both the LGBTQIA+ liaison and grant initiatives, as well as the collaborative task force that is to be established as part of the recent collective bargaining agreement with UTLA.
