Tab 2. Using Technology with Intention: Establishing Guidelines for Student Screen Time

XII. Monitoring, Accountability, and Continuous Improvement (pp 56 in Board materials)

This policy will be reviewed annually at a public meeting of the Board of Education and updated as needed to reflect new research, implementation feedback, equity analyses, and emerging tools and information. The first annual review shall include feedback from educators, students and parents regarding policy implementation and perceptions of screen time usage, including focus groups and/or a School Experience Survey question such as “My student(s) spends too much / too little / an appropriate amount of time on devices.”
