

Proposed amendment by Board Member Ortiz Franklin for Tab 23 Ms. Gonez, Ms. Griego, Dr. Rivas - Resilient Schools: Extreme Heat Mitigation & Disaster Preparedness at LAUSD (Res-017-25/26)

Add to third resolve, between second and third bullet point:

“Temporarily pause projects not yet approved by the Board to replace synthetic turf until after a comprehensive study and policy update (described below) has been completed and the Board has given direction about the future of these fields (to remain synthetic turf or convert to natural grass)”
