

Sally Ride ES

A wide-angle photograph of the exterior of Sally Ride Elementary School. The building is modern with light blue and grey panels and large windows. A paved courtyard in front of the building is filled with children playing. To the right, a flagpole holds the American flag and the California state flag. The sky is clear and blue.

Culture First: Building Schools
Where People Thrive

Mission

Mission: Sally Ride Elementary School: A SMArT Academy is made up of a community of motivated learners, who explore, pursue, and develop their identity as successful individuals. Effectively meeting the academic and behavioral needs of all students is at the core of the Ride mission. Integrations of Science, Math, Art, and Technology, through Project Based Learning, will allow students to attain mastery of 21st Century skills and develop as empowered learners and effective communicators. Their future as **successful members of an ever-evolving and expanding society** begins at Sally Ride Elementary School: A SMArT Academy.
