UNIFIED

Celebrating PBIS Implementation Across the District

304 LAUSD Schools Recognized by the
California PBIS Coalition

PBIS is an evidence-based, tiered framework used in schools to proactively teach, encourage, and reinforce positive student behaviors rather than relying solely on punishment.

Utilizes a 3-tiered framework to support ALL students' success

Emphasizes prevention through systems change

Integrates and enhances data, systems, and practices

Promotes reflective thinking and collaborative problem solving

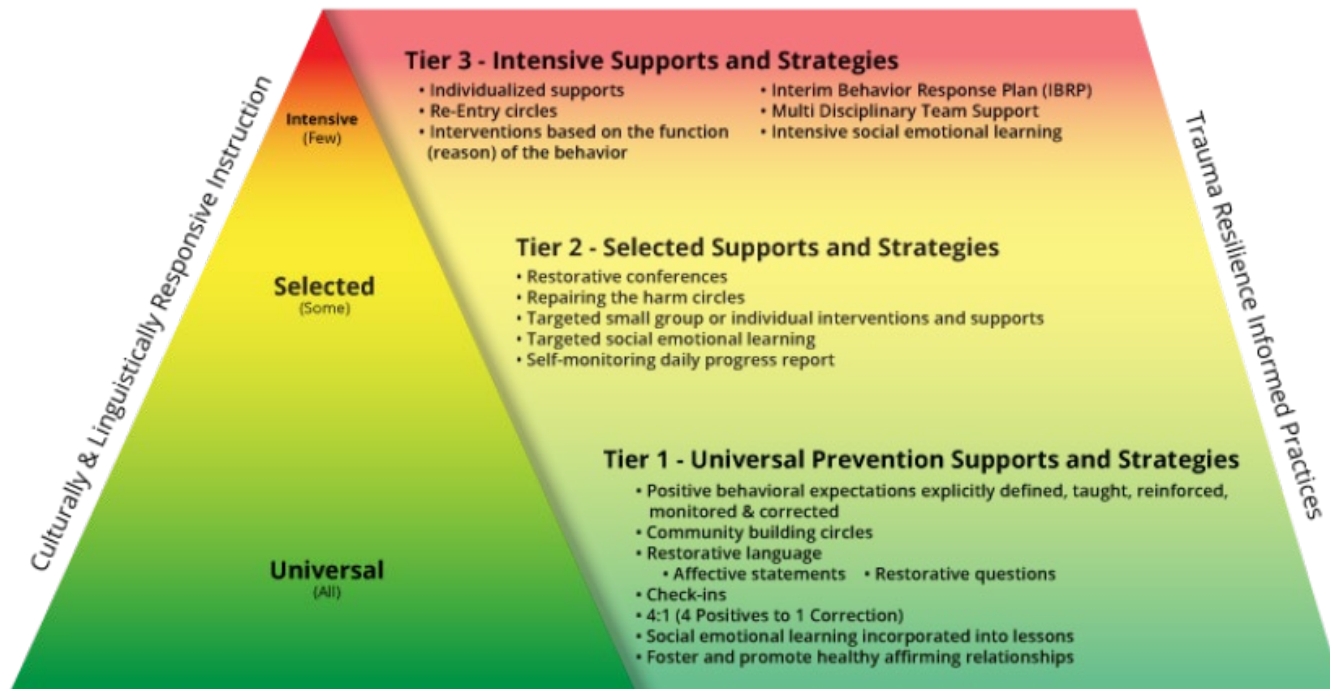

Emphasizes community building and repairing harm

Fosters resilience through authentic, positive relationships

PBIS/RP Integrated Continuum of Supports and Strategies

These tiers refer to levels of support that students receive, not to students themselves.

Recognizing schools for positive behavior supports that help create safe, welcoming learning environments

Recognition	What it recognizes
Bronze 	Tier 1: Schoolwide supports Clear behavior expectations and reinforcement of positive behavior
Silver 	Tier 1: Stronger schoolwide implementation More consistent use of positive behavior practices
Gold 	Tiers 1 and 2: Schoolwide and targeted supports Additional help for students who need it, with evidence of progress
Platinum 	Tiers 1, 2 and 3: Schoolwide, targeted and individualized supports The highest recognition level, with evidence of student progress

**All levels require evidence of PBIS implementation.
Gold and Platinum also require evidence of student progress.**

Recognized schools demonstrate:

- ✓ **Fidelity** — Implementing PBIS practices with consistency
- ✓ **Data Use** — Using data to understand needs and guide decisions
- ✓ **Action** — Turning data into meaningful goals and strategies
- ✓ **Student Supports** — Targeted behavioral and SEL supports

- ✓ **Classroom Practices** — Positive learning environments
- ✓ **Academic Impact** — Access to instruction and student learning
- ✓ **Continuous Improvement** — Using data to refine and strengthen implementation
