

# Community & School Partnerships

At our school, we believe strong partnerships enrich learning, expand opportunities, and support the success of every student. We are proud to collaborate with a diverse network of organizations that provide academic support, enrichment, mentorship, and real-world experiences.

## Academic & Enrichment Partnerships

- **CPS Sports** – Promoting teamwork, wellness, and student engagement through athletics
- **Project Vision** – Academic mentoring and enrichment opportunities for students
- **Math Circles** – Advanced math exploration and problem-solving experiences
- **DePaul University** – STEM integration and collaborative learning opportunities
- **University of Chicago** – Educational partnerships supporting student growth and achievement

## Magnet & Program Excellence

- **Magnet Schools of Excellence** – Reinforcing our focus on Math and Science and supporting our Magnet designation

## Student Support & Mentorship

- **Parent Mentorship Program** – Strengthening family engagement and support networks
- **Teacher Supporting Teacher (TST)** – Professional mentorship that elevates instruction and student voice
- **Communities In Schools of Chicago** – Providing wraparound supports for student success

## Extended Learning & Innovation

- **Apollo After School** – High-quality extended-day programming
- **Boot Up Partnership** – Advancing technology integration and innovative instruction
- **Farm to School** – Connecting students to nutrition, sustainability, and hands-on learning

## Community & Cultural Partnerships

- **Xilin Association** – Supporting cultural awareness and community connection
- **Chinatown Chamber of Commerce** – Building strong ties between school and local businesses
- **11th Ward Office** – Community engagement and civic partnership
- **Aeronautical Alliance of Chicago** – Career exposure and STEM-related opportunities
