

MSA Family Newsletter: Week of September 8th

This Friday, September 11, marks Patriot Day, a national day of prayer and remembrance to honor the nearly 3,000 individuals who lost their lives during the terrorist attacks on September 11, 2001.

It serves as a solemn tribute to the victims, their families, and the first responders, service members, and citizens who showed extraordinary heroism and selflessness in the aftermath. This day is also designated as a *National Day of Service and Remembrance*, Americans are encouraged to participate in volunteer work,

community service, or acts of kindness to honor the spirit of unity that followed 9/11. We encourage our students to wear red, white, and blue on Friday to recognize and remember the heroism of our country.

MSA Walkathon for Technology!

Reach For The Stars is excited to kickoff our 2026 Fall Walk-a-thon Fundraiser for Mark Sheridan Academy! The annual Walkathon is our single biggest opportunity to protect the top-tier academic experience that we offer. Every dollar raised goes directly back to our students, with this year's funds targeted at desperately needed technology upgrades. We need 100% family participation to make this event a success—whether by donating what you can, volunteering your time, or **asking your employer if they offer matching grants to multiply your impact**. Please keep an eye out for upcoming event details, ensure your student is signed up, and thank you for your incredible ongoing support and dedication to our Sheridan community!

WALKATHON To do's:

- Register your child for their online fundhub site using the QR code on the Flyer.
- Share with friends, family, and neighbors to help us reach our fundraising goals.
- Fundraise for your school! Kids can earn incentives and classrooms can earn pizza parties! (see flyer for more details)
- This year we are primarily raising money to bridge funding gaps for technology resources. This includes needed updates and upgrades that the CPS-provided budget doesn't easily make room for, like Chromebooks for students and classroom equipment.

- With your help, we hope to fulfill many parts of MSA's technology wish list! In this time of budget cuts and uncertainty, it is more important than ever that our community can come together to raise funds for our school. Does your employer match donations?
- Please submit for those matches! We have opportunities for business sponsors as well!
- Please reach out to info@msa-rfts.org for more information. Donations are accepted both online (credit/debit) and in school (cash/check). For in school donations, please include the student's name and homeroom, and make any checks payable to Reach For the Stars NFP.

Who to Contact? To make it easier for parents to connect to the correct person, we have created a Who to Contact list that is attached to this email. We suggest that you print it out and use it as a reference in your home-school communication.

MSA Attendance: Our current Attendance Rate as a WHOLE school is 97.53%. Our goal is to keep our attendance above 98%. Please make sure to prioritize your child being at school every day and on-time! We can do even better with everyone's support. Please see the guide below for when you should keep your child home.

Too Sick for School?

4 questions to consider:

Is Your Child Running A Fever?

If your child is running a fever, they should stay home from school. Typically, a fever over 100F is a sign that your child may be ill. A child should not return to school until at least 24 hours after the fever broke without fever-reducing medication.

Can Your Child Participate in class?

If your child seems too sluggish and lethargic to pay attention to their lessons, they should be kept home from school. Rest will help your child recover so that they are feeling better and ready to learn again.

Is Your Child Contagious?

If your child is sick with an illness that may be contagious, like strep throat or pinkeye, they should be kept home from school. This will prevent them from spreading their illness to their classmates, or worse, having it passed right back!

Are the symptoms Disruptive?

If your child is running to the restroom and back, chances are they won't retain much of their lessons. Keep your child home until symptoms subsided at least 24 hours.

Patient First

September 8th marks the 60th Anniversary of International Literacy day. Since 1967, the annual celebrations of International Literacy Day (ILD) have taken place on 8 September around the world to remind policy-makers, practitioners, and the public of the critical importance of literacy for creating a more literate, just, peaceful, and sustainable society. Reading is the best way to learn and our 8th graders show us how it is done!
