English: Parent Consent for Google Workspace for Education

To get started access the LAUSD Parent Portal by visiting the website at <u>lausdapp.lausd.net</u>. Simply type the address into your web browser and you will be taken directly to the portal's login page.

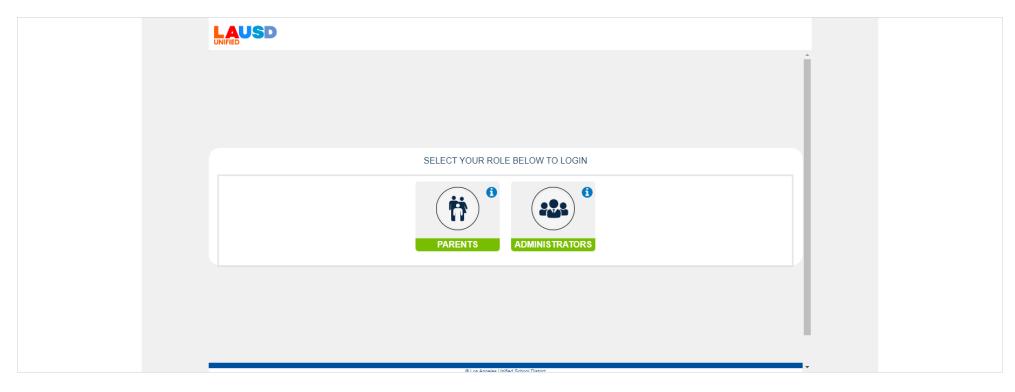

Click "Login".

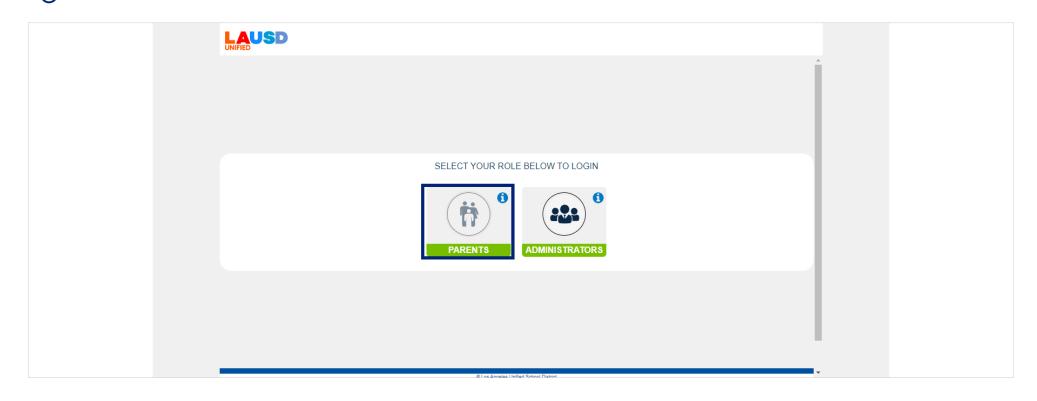

To log in as a parent, select the "Parents" option on the login page. This will take you to a secure and personalized dashboard where you can view information about your child's education and progress.

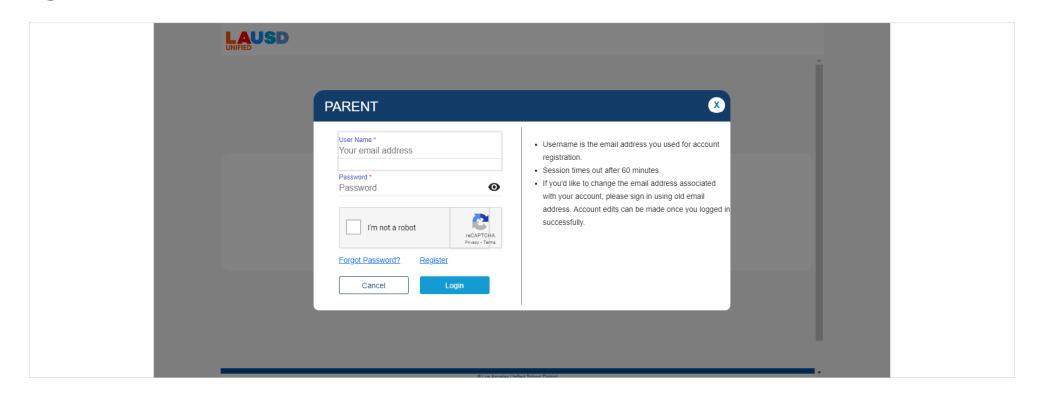

Click on the "Parents" button to access your parent account.

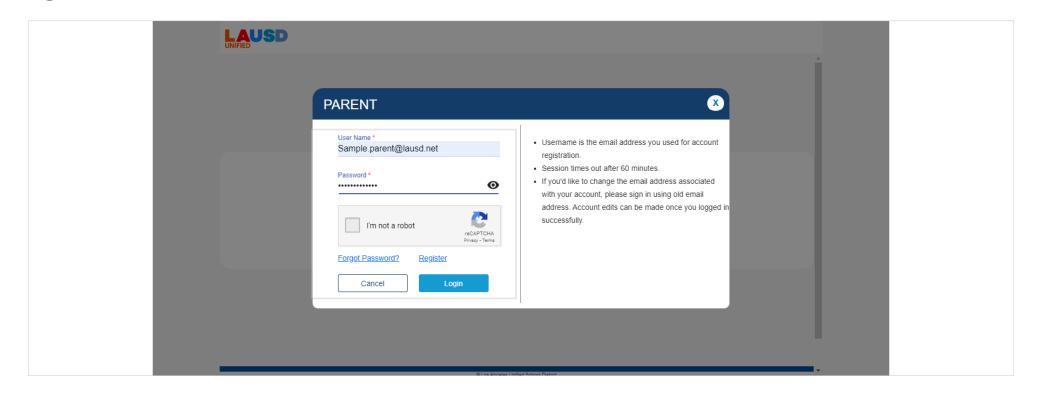

To complete the login process, enter your username and password into the fields. Make sure to type your information correctly.

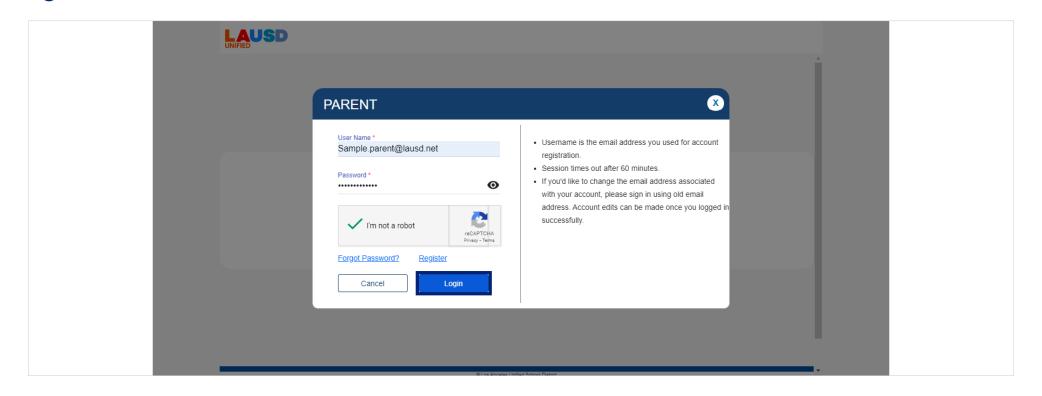

Before logging in, you may be asked to prove that you are not a robot. To do this, click on the "I'm not a robot" checkbox.

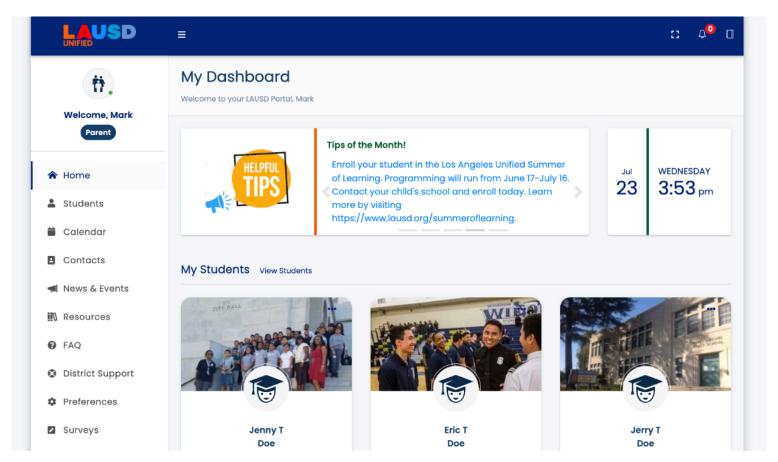

Hit the "Login" button to access your parent account.

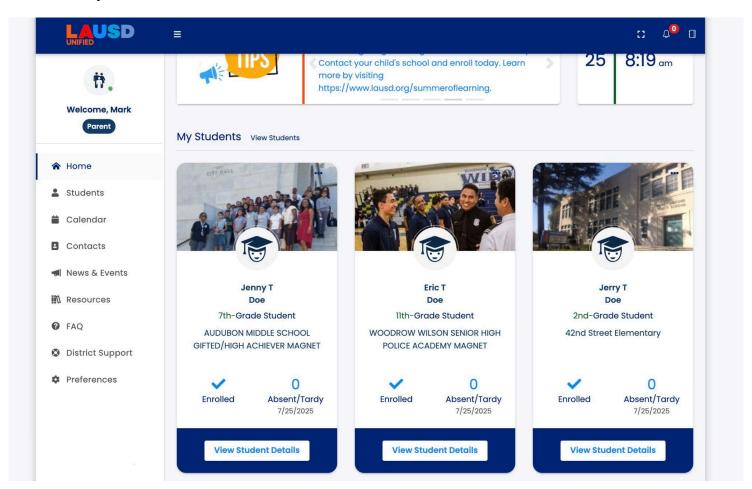

Upon successful login, you will be directed to the LAUSD Parent Portal dashboard. This is where you will find all the information and resources related to your child's education, including their grades, attendance, important updates, and parent consent forms.

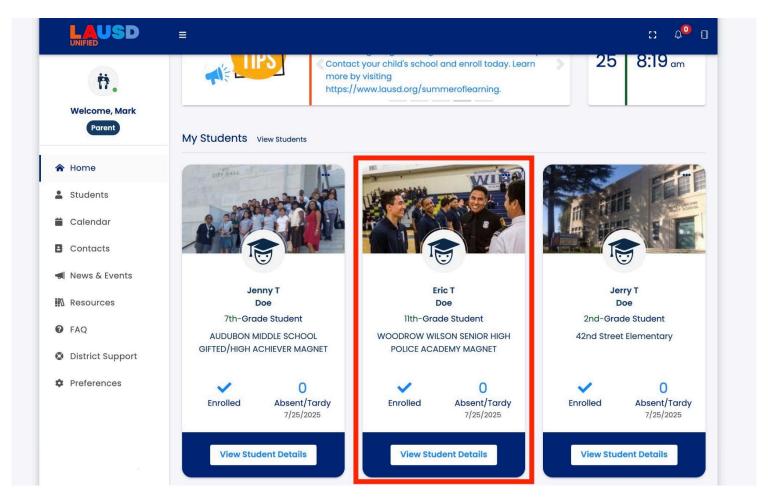

The LAUSD Parent Portal dashboard allows you to view up to three students' highlights at a time. You can switch between students to see information about each of your children.

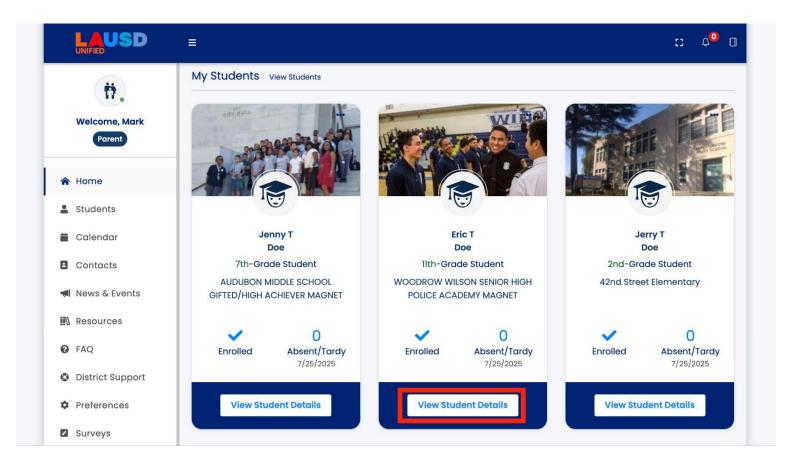

These highlights include a quick overview of their grades, attendance and other key metrics that can help you stay informed about their academic progress.

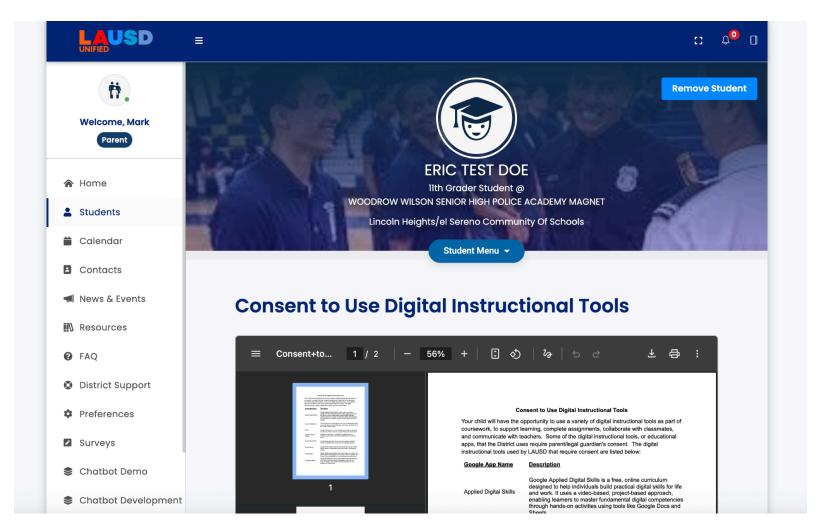

Scroll down and select the 'View Student Details' option to access additional information, including the Parent Consent for Google Workspace for Education form.

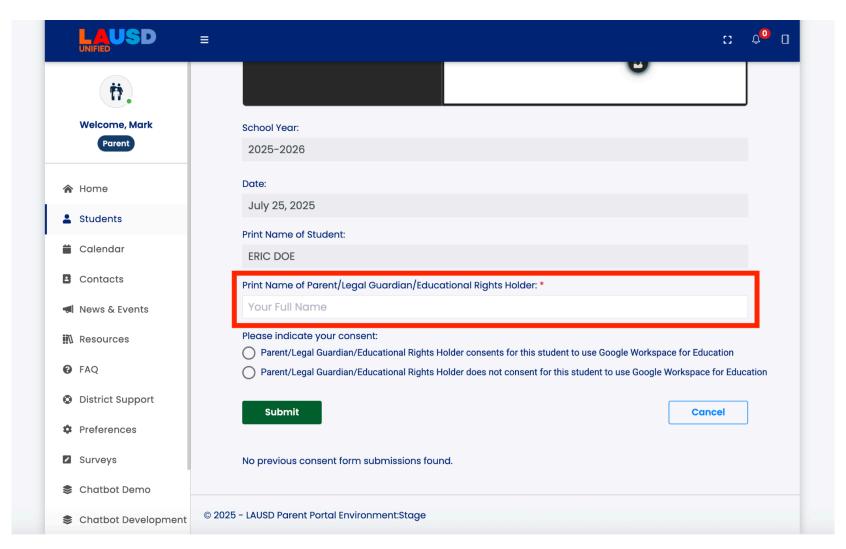

If you have not yet completed the Consent to Use Digital Instructional Tools form, the form will automatically appear on the student's details page. Carefully review the entire consent form to understand what Google Workspace for Education includes and how it supports your child's learning.

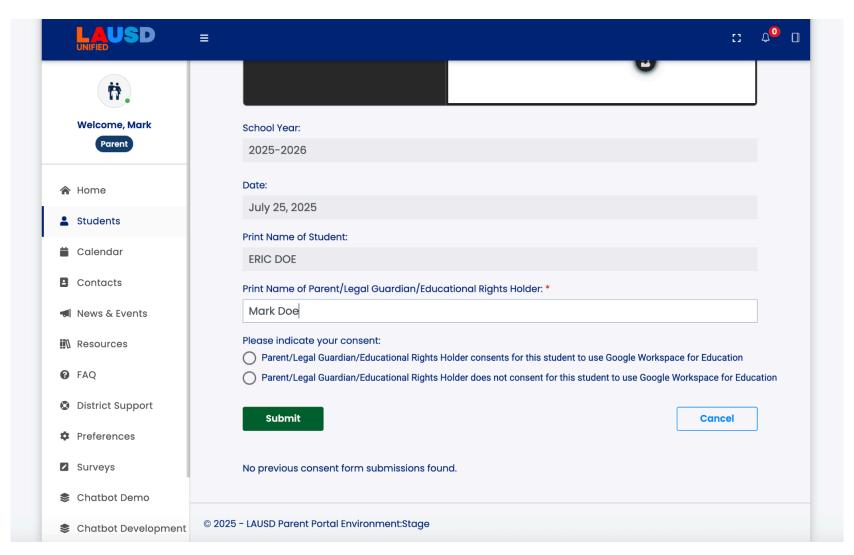

Scroll down to the signature section of the form.

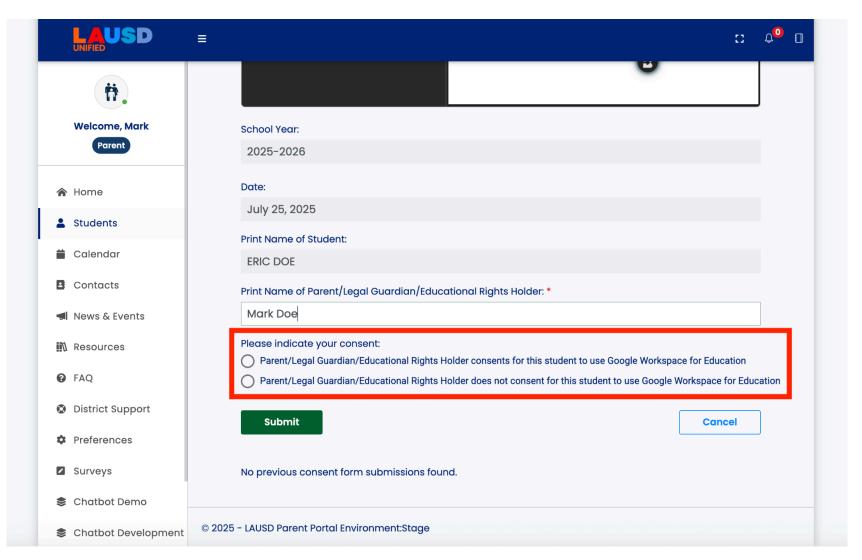

In the space provided, print the full name of the Parent, Legal Guardian, or Educational Rights Holder.

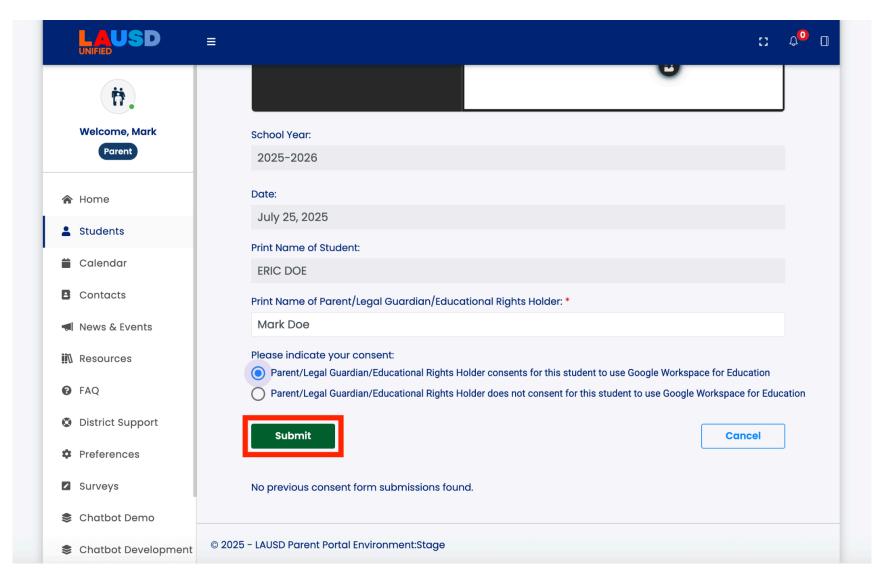

Next, indicate your consent by selecting one of the options.

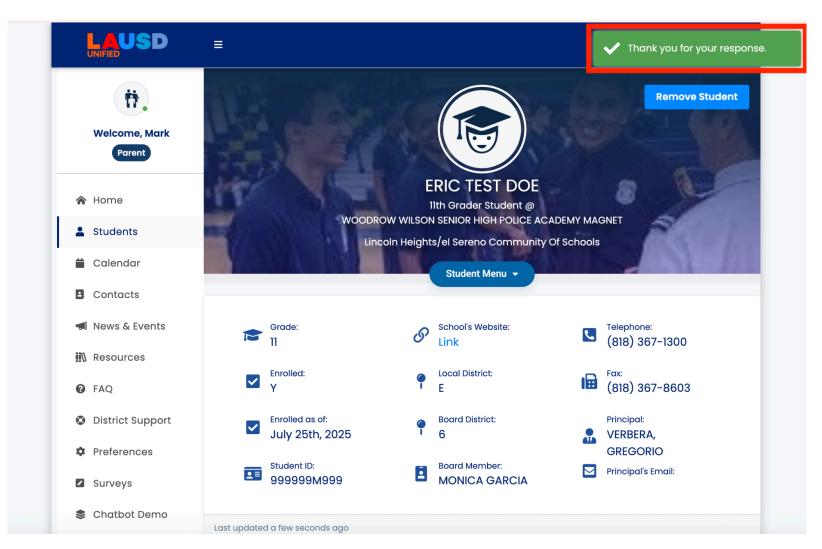

After making your selection, scroll down and click the "Submit" button to complete the consent process.

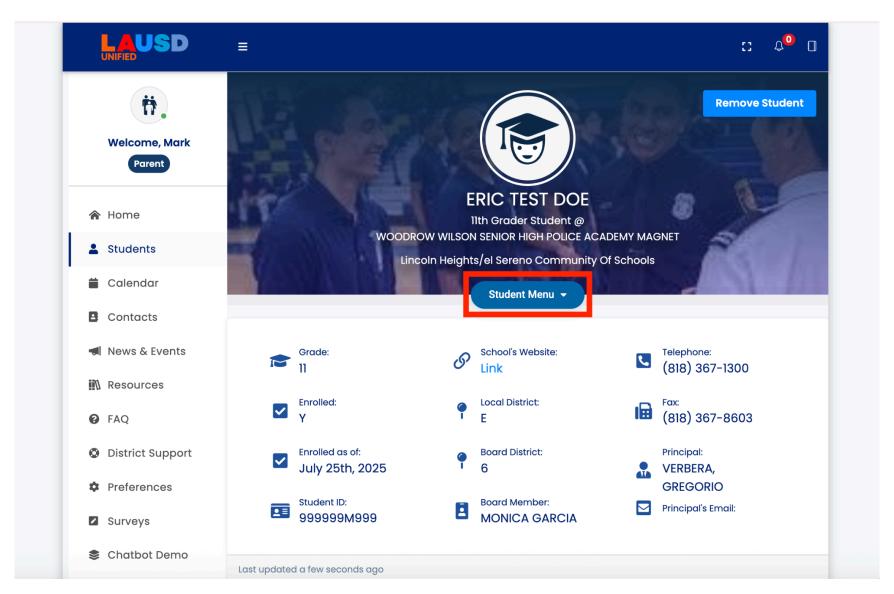

Once submitted, you will see a confirmation message in the top right corner letting you know that your response was recorded.

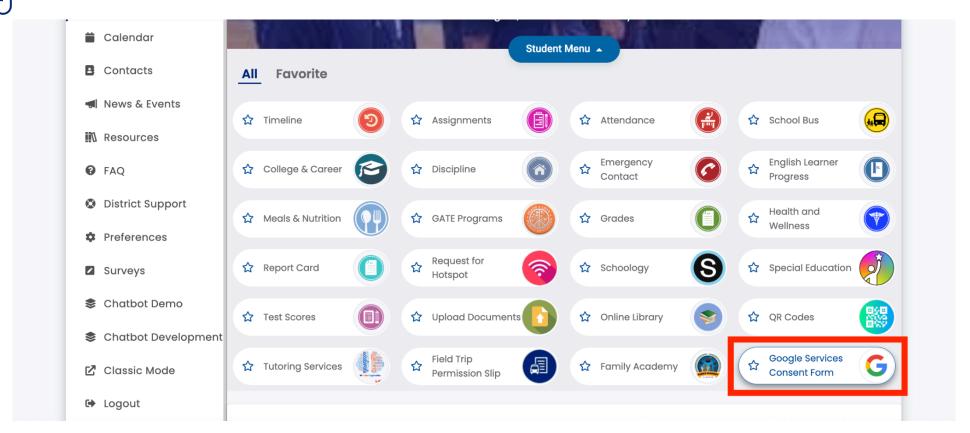

If you have already completed the consent form, or if you want to revisit the form or change your consent, click on the Student Menu.

From the dropdown list, select the "Google Services Consent Form".

Scroll down the page to view the Consent Form History for the student, which shows a record of your previous responses.
You can now review and make changes to the form as needed. Be sure to click the "Submit" button again after making any updates.
