Email Conflicts

Each Schoology account must be associated with a unique email account. Schoology will use the email account in PASSport to create a parent account. If the email in PASSport has been previously used for a Schoology account, an error message will appear.

Email Conflicts

To correct this, the email address must be changed in PASSport to an email not previously used for Schoology. To do this, go to the main page in PASSport and select Account Settings in the upper right corner.

The screenshot shows the PASSport user interface. At the top right, there is a link for "Choose Account Settings" with an arrow pointing to "Logout Account Settings". Below this, the main content area is divided into sections: "Welcome, Parent Name", "District Announcements" (with a table of announcements), "My Students" (with a table of student information), and "General Resources" (with a list of links). The "General Resources" list includes: LAUSD Emergency Plan App, LAUSD School Choice Programs, Parents' Rights and Responsibilities, District Calendar, District News & Events, LAUSD Families Page, and Parent Student Handbook. At the bottom right, there is a logo for "Get ADOBE READER" and the "LOS ANGELES UNIFIED SCHOOL DISTRICT PARENT, COMMUNITY AND STUDENT SERVICES" logo.
