

4118.24/4218.24 STAFF/STUDENT NON-FRATERNIZATION

The relationship between the teacher and the student should be one of cooperation, understanding and mutual respect. The teacher has the responsibility to provide an atmosphere conducive to learning and to motivate each student to perform to his/her capacity.

Staff members are expected to regard each student as an individual and to accord each the rights and respect due to any individual. Neither insults, disparaging names, nor sarcasm shall be used as a way of forcing compliance with a staff member's requirements or expectations.

The Salisbury Board of Education believes that students and staff members should interact with each other in a warm, open, and positive fashion. However, there must be maintained a certain distance in order to preserve the businesslike atmosphere that is necessary to achieve the educational mission of the school. In recognition of the fact that sexual harassment, whether verbal or physical, may create a psychological harmful atmosphere, inhibit performance, undermine the integrity of the staff-student relationship and constitute a form of illegal sex discrimination, the Board prohibits all forms of sexual remarks or conduct between staff and students of the District.

Further, school system personnel (employees, contractors, and agents of the school system) shall provide no assistance to an employee in finding another job, beyond the routine transmittal of personnel or administrative files, if the employee engaged in sexual misconduct with a minor or student in violation of the law (ESEA, 20 U.S.C. 7926(a)).
