Board of Education Goals 2021–2022

1. **Financial Accountability & Budget Integrity**

Work with Administration to monitor fiscal health, create and pass a new budget for the 2022-2023 school year, and properly allocated surplus funds at the end of the year.

2. **Capital Project**

Assist architect with the finalization of design, ensure project remains on pace with projected time and budget goals. Complete the Cottle Field renovation by the close of the 2021-2022 school year.

3. **Policy Review**

Conduct policy review and consider revisions for the following matters:

- Class sizes
- End of year awards protocols
- Coaching and tutoring with regards to staff and community members
- Public use of outdoor fields

4. **School Lunch**

Explore options for improving and expanding the school lunch menu.
