

# Multilingual and Multicultural Education Department

**ELEMENTARY INSTRUCTION**

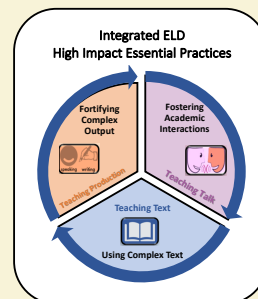

## Back by Popular Demand Integrated English Language Development (iELD) Math

### Implementing iELD Math for our English Learners

4 hour online Professional Development Course  
**Re-released Monday, March 23, 2020**

Participants will:

- Read from the CA ELA/ELD & Math Frameworks
- Watch a classroom lesson
- Learn how the CA ELD & Content Standards work in tandem
- Reflect on how to ensure highly effective iELD Math instruction for English Learners

**Please register through MyPLN keyword: iELD Math**
