

# Eaton School District Compliance Plan

## Website Compliance Plan

- Yearly license with *AccessiBe* to scan our website to provide feedback as well as installs an accessibility widget on each page of our website
- Quarterly updates on improvements and progress on our website to continue making it accessible
- Eaton School District administration, marketing and information technology department will fix all issues found on the website

## Staff Training

- Eaton School District will provide staff with yearly training on accessibility throughout the year including an option for one-on-one training session with our marketing and website specialist.

## Application Compliance

- Eaton School District to send HB21-1110 Accessibility form to all vendors before approval
- Vendors to be in compliance or Eaton School District will for the Undue Burden, Fundamental Alteration, or Direct Threat/EEAAP Documentation Protocol.

## Documents and other Digital Resource Compliance

- Eaton School District to use Adobe/Microsoft to check for accessibility in all published documents

## Other Support and Oversight

- Eaton School District to request HB-21-110 budget from the state
