The Administration recommends approving the following:

RESOLUTION A RESOLUTION TO SUPPORT THE ACCELERATED APPALACHIAN SCHOOL BUILDING ASSISTANCE PROGRAM.

WHEREAS the Coalition of Rural and Appalachian Schools is an organization of 120 school districts and other educational institutions in the 32-county Appalachian region of Ohio. The mission of CORAS is to advocate for and support the public schools of Appalachia Ohio in the continuous improvement of educational opportunities available to all the region's children, and,

WHEREAS in October of 2021, CORAS officially formed a Legislative Committee and began navigating further public school advocacy efforts with the help of Sunday Creek Horizons, and,

WHEREAS the Facilities Subcommittee of the Legislative Committee has dedicated the time since to understanding rural facilities issues and current OFCC programing and state aid options, and,

WHEREAS in 2000, the Ohio Legislature passed the Accelerated Urban School Building Assistance Program (Ohio Rev. Code 3318.38) in order to address the enormity of work needed to facilities in six urban cities, who were unable at that time to enter the existing OFCC programs, and,

WHEREAS in the twenty years since, the Accelerated Urban School Building Assistance Program has built approximately 250 school buildings for Cincinnati, Dayton, Toledo, Akron, Columbus, and Cleveland city schools, with a total state share of approximately \$2.7 billion dollars, and,

WHEREAS these numbers are anticipated to increase as Akron, Columbus, and Cleveland finish their final segments of the Accelerated Urban School Building Assistance Program, and,

WHEREAS according to the OFCC, as of July 2021, school facilities projects in 115, or nearly 69%, of the 167 school districts in the 32-county Appalachian Ohio region have been completed, 27 Appalachian school districts (16.1%) have deferred their FCC funding offers or let their funding offer

lapse, 15 school districts (8.9%) have projects in-progress, 11 school districts (6.5%) have yet to be offered OFCC funding for their projects, and,

WHEREAS of these 115 completed facilities updates, 75 (68%) were the remodeling of a facility that predated 2002 and have been left without proper maintenance aid leading to great deterioration over the past twenty years, and,

WHEREAS there are 38 Appalachian School districts untouched by the OFCC since the DeRolph Decision whom actively struggle to educate our youth in failing and crumpling school buildings, and,

WHEREAS the CORAS Legislative Committee has drafted legislation to create an Accelerated Appalachian School Building Assistance Program, which would address the enormity of work left to be done across the public schools of Appalachian Ohio; systemically prevented to date by the inability to pass levies in high poverty areas, shifting state share amounts, and the extreme backlog in existing OFCC programs, and,

WHEREAS the legislation would create a separate OFCC program, modeled directly after the Accelerated Urban School Building Assistance Program, in order to complete the long overdue facilities updates for our region while avoiding current program backlog, adding a region specific levy incentive and two statewide OFCC maintenance programs, and,

WHEREAS the CORAS Legislative Committee and Sunday Creek Horizons have circulated this legislation with state decision makers including the Ohio Legislative Appalachian Caucus, President of the Ohio Senate, the Governor's Office of Appalachia, and the Ohio Office of Budget Management, and,

NOW, THEREFORE, BE IT RESOLVED by the Warren Local Board of Education, that the Board wishes to make it explicitly clear to community members and state lawmakers that this legislation is necessary and supported, and that Warren Local school district desires to participate in the Accelerated Appalachian School Building Assistance Program, and,

BE IT FURTHER RESOLVED that the Treasurer is hereby authorized and directed to forward copies of this Resolution to all Ohio state legislators, the Superintendent of Public Instruction and Governor of the State of Ohio.
