The Warren Local Board of Education conducts meetings in an effort to comply with Parliamentary Procedure. Robert's Rules of Order are its governance. As a result, it is important to remember the Communication section of the agenda is the appropriate time for audience members to speak. If a situation arises that you, the audience, need to ask a question, the president may elect to call on you at a convenient time.

In an effort to assist in recording the minutes, all audience members, when addressing the Board of Education, are asked to identify themselves by giving their name and subject matter.

PUBLIC PARTICIPATION AT BOARD MEETINGS

All meetings of the Board and Board-appointed committees are open to the public.

In order for the Board to fulfill its obligation to complete the planned agenda in an effective and efficient fashion, a maximum of 30 minutes of public participation may be permitted at each meeting.

Each person addressing the Board shall give his/her name and address. If several people wish to speak, each person is allotted three minutes until the total time of 30 minutes is used. During that period, no person may speak twice until all who desire to speak have had the opportunity to do so. Persons desiring more time should follow the procedure of the Board to be placed on the regular agenda. The period of public participation may be extended by a vote of the majority of the Board, present and voting.

Agendas are available to all those who attend Board meetings. The section on the agenda for public participation shall be indicated. Noted at the bottom of each agenda shall be a short paragraph outlining the Board's policy on public participation at Board meetings.
