The Warren Local Board of Education conducts meetings in an effort to comply with Parliamentary Procedure. Robert's Rules of Order are its governance. As a result, it is important to remember the Communication section of the agenda is the appropriate time for audience members to speak. If a situation arises that you, the audience, need to ask a question, the president may elect to call on you at a convenient time.

In an effort to assist in recording the minutes, all audience members, when addressing the Board of Education, are asked to identify themselves by giving their name and subject matter.

**RATIFYING MEMBERSHIP IN THE INCOMPLIANCE CONSULTING NATIONAL PURCHASING CONSORTIUM**

The Superintendent recommends ratifying the membership agreement for the INCompliance Consulting National Purchasing Consortium (the “Consortium”).

Rationale:

- 1. The Consortium is a national association of political subdivisions; and
- 2. The Board is eligible for membership, and wishes to participate, in the Consortium; and
- 3. Ohio Revised Code Section 9.48 authorizes boards of education, as political subdivisions, to participate in joint purchasing programs operated by or through a national or state association of political subdivisions in which the purchasing political subdivision is eligible for membership; and

4. To join the Consortium, the Board must enter into a membership agreement with the Consortium (“Agreement”); and
5. To the extent a procurement through the Consortium requires legal services and owner’s representative services to address audit compliance, the Agreement requires the Board to engage Bricker Graydon Wyatt LLP and INCompliance Consulting to provide those services at no additional cost; and
6. The Superintendent reviewed the Agreement for the Consortium and, because time was of the essence, executed the Agreement on behalf of the Board.
7. The Superintendent recommends that the Board ratify the actions taken by the Superintendent to execute the Agreement.

**AUTHORIZING NEGOTIATION AND EXECUTION OF AN AGREEMENT WITH FANNING/HOWEY ASSOCIATES, INC. FOR DESIGN PROFESSIONAL SERVICES FOR THE METAL STORAGE BUILDING PROJECT**

The Superintendent recommends authorizing the negotiation and execution of an agreement with Fanning/Howey Associates, Inc. (“Fanning/Howey”), to provide design professional services for the Metal Storage Building Project (the “Project”).

Rationale:

1. The Board has determined a need for the Project.
2. Accordingly, the Superintendent solicited a proposal from Fanning/Howey for the Project, in amounts not-to-exceed \$15,000 for Basic Services and \$1,200 for Reimbursable Expenses, for a total amount not-to-exceed \$16,200 (“Contract Sum”).
3. The proposal is not subject to a qualifications-based selection process, as Revised Code Section 153.71 (B)(1) permits the selection of a design firm without implementing a qualifications-based selection process when the estimated professional design fee for the Project will be \$25,000 or less.
4. The Superintendent recommends the Board authorize the Superintendent and Treasurer, working with legal counsel, to negotiate and execute an agreement with Fanning/Howey for design professional services for the Project in an amount not-to-exceed the Contract Sum.

6. Motion by \_\_\_\_\_ Second by \_\_\_\_\_

**AUTHORIZING AN AGREEMENT WITH WOLF CREEK CONSTRUCTION, LLC  
FOR PRECONSTRUCTION SERVICES FOR THE BUILDING 2 RENOVATION PROJECT  
BASED UPON O.R.C. 167.081 FOR CONTRACTS PROCURED THROUGH  
A REGIONAL COUNCIL OF GOVERNMENTS**

The Superintendent recommends the Board authorize an agreement with Wolf Creek Construction, LLC (“Wolf Creek”) to provide preconstruction services for the Building 2 Renovation Project in accordance with O.R.C. 167.081 for contracts procured through a Regional Council of Governments.

Rationale:

1. The District has identified a need to renovate building 2 to accommodate district educational and fiscal services in an ADA compliant and safe environment (the “Project”).
2. The District has made a commitment to its community to maintain District facilities.
3. The District is committed to increasing operational efficiencies by housing all educational staff and fiscal services on the main campus.
4. The current 220 Sweetapple Road district office is in disrepair and the estimated costs to bring the building to minimum standards is much greater than the proposed building 2 renovation costs. In addition, the current district office houses enrollment processes and is not ADA compliant.
5. The District previously explored building a new district office, but costs were prohibitive, making the renovation of building 2 a more cost effective plan of action.
6. The District has monies remaining from the 2017 New Building/Renovation Construction Project that is accounted for in a capital projects fund, which is restricted by ORC to acquiring/renovating real property.
7. O.R.C. 167.081 allows a school district to participate in a construction contract of a Regional Council of Governments (a “COG”) on a per unit basis for materials, labor, services, overhead, profit, and associated expenses for the repair, enlargement, improvement, or demolition of a building or structure without the need to engage in competitive bidding.
8. The Board is a member of META Solutions (“META”). META is a Regional Council of Governments established under R.C. 167. As a result, the Board, as a member of META, can participate in contracts procured by META, subject to the requirements of R.C. 167.081.
9. META, partnering with INCompliance Consulting National Purchasing Consortium (“ICNPC”), a national association of political subdivisions under R.C. 9.48, administered a “best value” procurement process for construction manager at risk services in accordance with R.C. 9.33 et seq. and Chapter 153:1-6 of the Ohio Administrative Code, utilizing the Project as the basis for pricing.
10. In accordance with the statutory process, Wolf Creek submitted a statement of qualifications and a pricing proposal (the “Proposal”) in response to the solicitation and was selected by META and ICNPC as the best value construction manager at risk to perform the Project for META and ICNPC’s members. As a result, META and ICNPC extended a contract offering to Wolf Creek so that it may offer its services to the members of both META and ICNPC (“Consortium Agreement”).
11. In the Proposal, Wolf Creek offered to perform its preconstruction services for the Project at no cost.
12. The Superintendent requests authority for the Superintendent and Treasurer, with the assistance of legal counsel, to negotiate and execute an agreement for preconstruction services with Wolf Creek for the Project, pending execution of the Consortium Agreement. At the end of preconstruction services for the Project, Wolf Creek will submit a Guaranteed Maximum Price Proposal consistent with the pricing in its Consortium Agreement for the Board’s consideration and approval.

**DECLARING AN EMERGENCY EXISTS, WAIVING THE STATUTORY SELECTION  
PROCESS FOR DESIGN PROFESSIONALS, AND AUTHORIZING NEGOTIATION AND  
EXECUTION OF AN AGREEMENT WITH FANNING/HOWEY ASSOCIATES, INC. FOR THE  
BUILDING 2 RENOVATION PROJECT**

The Superintendent recommends the Board declare an emergency exists to waive the statutory selection process for design professionals, and authorize negotiation and execution of an agreement with Fanning/Howey Associates, Inc. (“Fanning/Howey”) to provide design professional services for the Building 2 Renovation Project (the “Project”).

Rationale:

1. The Board identified a need for the Project.
2. The Project must be completed as soon as possible as it is necessary to maintain the Project schedule and avoid delays to the planned renovations. Moreover, Wolf Creek, the construction manager at risk for the Project, is already mobilized and performing work on site for the Archery Building Project. Delaying the performance of the design services for the Project would increase the risk of additional costs and scheduling impacts to the Board. Accordingly, District administrators believe an emergency exists to take immediate action to contract with Fanning/Howey for the necessary design services for the Project.
3. ORC 153.71(B)(3) provides an exception to the statutory qualifications-based selection process for design professionals when there is an emergency requiring immediate action.
4. Based on the emergency exception, District administrators sought a proposal from Fanning/Howey to perform the necessary design professional services for the Project. Fanning/Howey has provided a proposal in amounts not-to-exceed \$55,000 for Basic Services and \$1,200 for Reimbursable Expenses, for a total amount not-to-exceed \$56,200 (“Contract Sum”), which the Superintendent and Treasurer believe is appropriately competitive.
5. The Superintendent recommends the Board waive the statutory qualifications-based process for procuring a design professional, as allowed by ORC 153.71(B)(3), and authorize an agreement with Fanning/Howey in an amount not to exceed the Contract Sum.

The Board of Education resolves as follows:

1. Based upon the information provided, the Board finds that an emergency exists and waives statutory qualifications-based process for procuring a design professional.
2. The Board authorizes the Superintendent and Treasurer, working with legal counsel, to negotiate and execute an agreement with Fanning/Howey in an amount not to exceed the Contract Sum, and to execute any other documents necessary to effectuate the intent of this resolution.

**DECLARING AN URGENT NECESSITY, WAIVING COMPETITIVE BIDDING,  
AUTHORIZING THE NEGOTIATION AND EXECUTION OF AGREEMENTS, AND  
RATIFYING ACTIONS TAKEN FOR THE METAL STORAGE BUILDING PROJECT**

The Superintendent and Treasurer recommend that the Board declare an urgent necessity, waive competitive bidding, authorize negotiation and execution of agreements, and ratify all actions taken for the procurement of materials and services for the Metal Storage Building Project (the “Project”)

Rationale:

1. The Board identified a need to construct a new metal storage building.
2. The Project must be completed as soon as possible as it is necessary to provide storage and other swing space accommodation for the Building 2 Renovation Project, which must commence immediately to maintain the Project schedule and avoid delays to the planned renovations. Moreover, Wolf Creek Construction, LLC (“Wolf Creek”) is already mobilized and performing work on site for the Archery Building Project. Delaying the procurement and installation of the storage building would delay the Building 2 Renovation Project and increase the risk of additional costs and scheduling impacts to the Board. Accordingly, an urgent necessity exists to procure and install the storage building as soon as possible.
3. The Superintendent and Treasurer recommend the Project be completed by two contractors. Wolf Creek, who will do the foundation portion of the Project and Gold Tier Structures, who will supply and install the building portion of the Project.
4. The Project architect provided an estimate for the foundation portion of the Project in the amount of \$288,367, and an estimate for the building portion of the Project in the amount of \$75,000.
5. As time was of the essence, the Superintendent and Treasurer issued a purchase order to Gold Tier Structures for the materials for the building portion of the Project to ensure timely delivery and to avoid delays to the Project schedule.
6. The Superintendent and Treasurer request that the Board ratify all actions previously taken by the Superintendent and Treasurer relating to the materials for the building portion of the Project.
7. Based on the information provided above, the Superintendent and the Treasurer recommend that the Board declare an urgent necessity under R.C. 3313.46, and waive competitive bidding for the Project.
8. The Superintendent and Treasurer request authority to negotiate and execute an agreement with Wolf Creek for the foundation portion of the Project in an amount not-to-exceed \$288,367 (“Foundation Contract Sum”), and to negotiate and execute an agreement with Gold Tier Structures for the building portion of the Project in an amount not-to-exceed \$75,000 (“Building Contract Sum”)(collectively, “Proposal Sums”).
9. To facilitate timely completion of the Project, the Superintendent and the Treasurer also request authority to enter into change orders for the Project in a total amount not-to-exceed 10% of the Proposal Sums. Change Orders in excess of that amount, individually or in the aggregate, will be brought to the Board for its consideration.

The Board of Education resolves as follows:

1. Based upon the information provided and exercising the authority given in ORC 3313.46, the Board declares an urgent necessity and waives competitive bidding in order to move forward with the Project.
2. The Board ratifies prior actions taken by District administrators related to the material for the building portion of the Project.
3. The Board authorizes the Superintendent and the Treasurer to work with other administrators and legal counsel to negotiate an agreement with Wolf Creek in an amount not-to-exceed the Foundation Contract Sum, and to negotiate and execute an agreement with Gold Tier Structures in an amount not-to-exceed the Building Contract Sum.
4. The Board further authorizes the Superintendent and Treasurer to sign change orders for the Project in a total amount not-to-exceed 10% of the Proposal Sums; should a change order exceed this amount individually or in the aggregate of change orders for the Project, the change order will be brought to the Board for consideration.

#### PUBLIC PARTICIPATION AT BOARD MEETINGS

All meetings of the Board and Board-appointed committees are open to the public.

In order for the Board to fulfill its obligation to complete the planned agenda in an effective and efficient fashion, a maximum of 30 minutes of public participation may be permitted at each meeting.

Each person addressing the Board shall give his/her name and address. If several people wish to speak, each person is allotted three minutes until the total time of 30 minutes is used. During that period, no person may speak twice until all who desire to speak have had the opportunity to do so. Persons desiring more time should follow the procedure of the Board to be placed on the regular agenda. The period of public participation may be extended by a vote of the majority of the Board, present and voting.

Agendas are available to all those who attend Board meetings. The section on the agenda for public participation shall be indicated. Noted at the bottom of each agenda shall be a short paragraph outlining the Board's policy on public participation at Board meetings.
