

## School Wide Title Information

Little Hocking Elementary and Warren Elementary are Schoolwide Title I schools. Schoolwide Title I Programming allows our school to use Title I funds and programs to meet the needs of all students in reading and math throughout the year.

### What is Title I?

Title I is the largest federally funded program in education. It was signed into law in 1965 by President Lyndon Johnson.

The Elementary and Secondary Education Act (ESEA) or Title I was designed to help students having difficulties with reading by providing funds for extra academic help. From the beginning, Title I has gone through various changes, but it continues to provide instructional help for students experiencing academic difficulty. Funding is given directly to the schools and is based upon poverty levels.

### What is a Schoolwide Title I Program?

A schoolwide program is a comprehensive reform strategy designed to upgrade the entire educational program in a Title I school; its primary goal is to ensure that all students, particularly those who are low achieving, demonstrate proficient and advanced levels of achievement on State academic achievement standards.

The reauthorization of Title I, the largest program in the ESEA, requires that schools and school districts provide funding and other resources to increase parent involvement in education.

### Warren Local School District Parental Involvement Belief Statement

We believe that parent/guardian involvement is an important part of the educational program. Current research indicates that a home-school partnership, as well as a greater involvement on the part of parents/guardians in the education of their children, generally results in higher achievement scores, improved student behavior, and reduced absenteeism. All parents/guardians of students enrolled in Warren Local School District are encouraged to take an active role in the education of their children.

- We encourage strong home-school partnerships.
- We provide for consistent and effective communication between the parents/guardians and school officials.
- We offer parents/guardians ways to assist and encourage children to do their best.
- We offer ways parents/guardians can support classroom learning opportunities.
- We provide opportunities for parents/guardians to be involved in the parental involvement program.
