

June 2025

Dear Parents and Guardians,

We want to welcome back our 1st grade students & families and extend a big welcome to our new Kindergarten students & families.

In an effort to alleviate the stress of having to carry supplies while attending to your child on the first day of school, (September 4, 2025), we will be holding a convenient drop off option for our Kindergarten & First grade families.

Our staff will be available on September 2, and September 3, 2025, from 8:30am-12:00PM to accept your child's required school supplies.

**PLEASE NOTE-All supplies must be labeled with your child's name & class.**

Having these supplies in advance will also prove to be helpful for the teachers, as they will be setting up their classroom on these two days before the actual first day of school.

We hope this is a convenient option for you. If you are unable to take advantage of these options, please follow the drop off schedule noted on the school's website.

Thank you!
